**VANDORF** — For someone who only started taking swimming seriously at age twelve, Hillary Richardson of R.R. 1, Gormley, has come a long way. She has her bronze medallion; her Red Cross and Royal Life Instructor's Badge; her Esso Swim Canada Instructor's Badge as well as certificates in First Aid and Cardio-Pulmonary Resuscitation. Hillary's a swim teacher at Slater's Pool, Vandorf. She's our "Girl Next Door".

A student in Grade 13 at G.W. Williams Secondary School, Aurora, Hillary received her elementary education at Vandorf and Whitchurch-Highlands. She speaks highly of G. W. Williams and the activities provided there. She plays on the field hockey team and prior to this year, was actively involved in the sports program including track and field.

At present, swimming is No. 1. She coaches a swim team at Slater's and also teaches aqua fitness. This summer, she hopes to serve as a swim supervisor at the King Campus of Seneca College. Swimming presently takes up much of her time (three nights a week plus Saturday mornings). Class participants range in age from three months to 52 years.

She describes this involvement as "a lot of fun". "You meet a lot of fantastic people," she says.

Despite her busy schedule, Hillary claims she does have some time to herself, time to "escape" to the quiet of the family cottage or go on camping trips. She's a member at Wesley United Church.

Following graduation, Hillary hopes to do some travelling—west to British Columbia and California. Asked about an extended stay in Hollywood, she only smiles. Vandorf, it seems, will always be "home".
