

A fine gymnast

STOUFFVILLE — The Winstonette Gymnastic Association is a parent-operated, non-profit organization—one of the best in North America.

Eleven-year-old Jennifer Morrison of 71 Stouffer Street South, is a member. An array of ribbons and medals testify to her skill.

"It's hard work but I enjoy it," says Jennifer. David Holmes, a head coach, also lives on Stouffer.

The Grade 5 student at Summitview School spends up to eighteen hours a week in training. This means sacrifices, but it's worth it, she says. Often, she's had to turn down invitations to birthday parties and her homework must be completed at school. However, the results make it all worthwhile.

Jennifer became interested in gymnastics from watching competitions on TV. Also, her coach was a neighbor when she lived in Markham.

Prior to joining the Winstonettes three years ago, she received formal instruction through the gymnastics

program provided by Markham Parks and Recreation. The Winstonette Association headquarters is at 500 Denison Street in

Markham. On Saturday, June 11, the club will host the 4th annual International Invitational Meet at the Markham Centennial

Centre, McCowan Road. Teams from England, the United States and Canada will be competing for the Markham Cup.
