**THE
NO-SHOW
SHOWROOM
OF
HOME FURNISHINGS**

Join the "catalogue revolution" at F.C. Interiors Ltd. We have no "showy" showrooms, no inventory, no sales persons, no office staff, no warehouse and delivery staff, no bank interest charges of approximately 12% or more, and now for 90 days no sales tax of 7%. We just have catalogues from Canadian and American better known furniture manufacturers, plus access to many manufacturer's showrooms.

Whether it be one piece or furnishings for the entire home, you will feel confident knowing you are saving hundreds, even thousands on all of your furniture purchases. So, if you'd rather be a "no show" shopper, join the others who have literally saved thousands. Please call for further information and then visit our catalogue showroom at 2600 John Street, Unit # 216, Markham.

NOTE: We are by appointment only so phone first.

**MEET THE NEWEST MEMBER
OF OUR TEAM.**

SAFECO is pleased to announce the appointment of the newest member of the SAFECO team.

Now, not everyone can become a SAFECO agent. But for those who do, there's a lot to sell — better insurance, for responsible people, at better prices. And that's impor-

tant these high-cost days.

So whatever your insurance needs are, check with the Panther's new teammate and see if you can save with SAFECO.
