

Who's teaching who?

The "Hand-In-Hand Club", organized by Jim Rehill in co-operation with Jan McBride of the Stouffville Dist. Secondary School staff, pairs students with seniors, sharing common interests. Recently, several

boys joined with members of the Silver Jubilee for a few games of billiards. Shown here are Al Emby, 18, of Grade 12 (left) and Walter Carter, Watson Drive, Stouffville.

### CABLE TV RATE INCREASE

On July 1, 1983 cable TV rates will increase to \$8.35 per month for the 1st outlet and \$3.25 per month for each additional outlet. This rate increase was approved by CRTC Decision #82-767 dated September 1, 1982 and complies with the Federal Government's 6-5 program to stabilize the Canadian Economy.

In addition to this rate increase, Federal Minister Marc Lalonde, in his April 19/83 budget, imposed a new federal excise tax of 6% on all cable TV services. This tax takes effect on July 1, 1983. Billing subsequent to this date will clearly reflect this 6% excise tax.

### CONTROL THE CLIMATE IN YOUR HOME WITH A HEAT PUMP OR CENTRAL AIR CONDITIONER FROM EATON'S

Call Mr. E. Midgley today at **744-2190**

for an in-home estimate without obligation

**3 good reasons to buy from Eaton's now**

- Purchase a heat pump or a furnace and have it installed now — and you won't have to pay a penny for the merchandise or installation until October '83.
- YOU CAN DEPEND ON EATON'S OWN PROFESSIONAL INSTALLERS AND AFTER-SALES SERVICE.
- Rely on us. Your purchase is backed by the Eaton Guarantee "Goods Satisfactory or Money Refunded"

Northern add-on heat pump, Model HNC24, acts as a central cooling system in summer. And in winter it helps save on heating bills. Plus, you may qualify for the Government of Canada's "Off Oil" taxable grant of up to 50% of the cost to a maximum of 800.00 if you use a forced air oil furnace and purchase an add-on heat pump. (Refrigerant line and installation extra.) (420) Each 2,099.00

Central air conditioner, Model IACB18, keeps your home fresh and cool all summer long. Efficient and effective for approx. 1000 sq. feet. (Refrigerant line and installation extra.) (420) Each 999.00
