

A fix(ture)

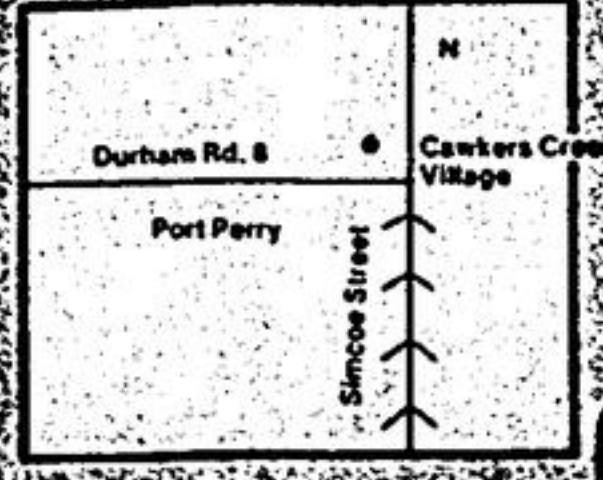

When Jim and Sharron Brazier, Hawthorne Avenue, Stouffville, returned from holidays, they discovered a male-size urinal cemented into their backyard patio. While Jim has no proof as to the identity of the persons responsible, an "arrest" is expected shortly. Meanwhile, it's a case of "don't abuse it—use it", even though its "use" may not conform with 1983 municipal bylaws covering such "services".
—Jim Thomas.
