STOUFFVILLE
Good things come in small packages. This is true of 15-year-old Rose Mauro, Ninth Line North, Stouffville. While she may never be an all-star on the S.D.S.S. basketball team, she readily excels in other areas.

Grade 11, she hopes to train as a chartered accountant following graduation from Stouffville High. While accounting is naturally a favorite subject, she enjoys English also, especially the guidance provided by staff teacher Jim Rehill. "He makes you work independently," she said, "I enjoy the challenge."

Rose moved from Scarborough to Stouffville three years ago. While she still likes going back for visits with friends, Stouffville is "home" and she's enjoying it here. A sister, Lina is married and living in Toronto. A brother Tony is a student at U. of T.

Although Rose doesn't profess to be fluent in Italian like her parents, she can "get by". Her last trip there was in 1976. She hopes to return before long. Also on her "trip list" is a visit to Acapulco. She's already been to Florida, Vancouver, and Quebec during the '83 March "break". As for sports, swimming is a favorite. She admits to being a good football fan.

She's our "Girl Next Door".
