

"Girl Next Door" A course in travel

By Jim Thomas
STOUFFVILLE — Karen Joice enjoys travelling. It's really no coincidence then, that she's enrolled in a Chartered Travel Consultant's course at O.I.S.E., a faculty affiliated with the University of Toronto. She hopes to graduate in November.
However, this pretty 18-year-old Rupert Avenue girl has more than "seeing the world" in mind. "I enjoy meeting people," she says.
A "native" of Newmarket, Karen has lived in Stouffville for the past 14 years, receiving her education at Orchard Park and S.D.S.S.
She was first bitten by the "travel bug" while an employee on the staff of Stonehouse Travel, Main Street West. In addition, she's also worked at Parkview Home and still helps out there when not at school.
She's our "Girl Next Door".
Karen's the middle member in her family. Kim (Francis) is older and resides at Cobourg. Lianne is younger and lives at home. Karen commutes to and from Toronto every day.
Swimming, skating and "being outdoors" are activities she enjoys most. Karen has kind things to say about Stouffville. However, she's hoping the proposed new recreation centre becomes a reality, especially one with an indoor pool.
Karen has travelled considerably, including Florida several times and England once. Her "dream trip" is a holiday in The Bahamas. With her determination and career training, such a vacation may be closer to a reality than she thinks.

Eighteen-year-old Karen Joice, Rupert Avenue, Stouffville, is enrolled in a Chartered Travel Consultant course and hopes to graduate in mid-November. Interest include travelling (of course), swimming, skating "and just being outdoors".
