Goodwood's Susie Good T-Ball coach wins praise

GOODWOOD — Twenty-year-old Susie Good, R.R. 1, Goodwood, has been named "Coach Of The Year" in the Goodwood Minor Softball Association.

She was honored at the league's annual Awards' Night, Friday, held in the Community Park.

She handled a T-Ball Novice club with players ranging in age from five to six years.

It was Bob French, a member of the Association's executive and a neighbor to the Good family, who initially wondered if she'd like to lend a hand. In 1982, she was teamed up with Wayne Humphries. This year, she took on the chore alone.

"They're not playing to win," the pretty team leader said, "they're play-

ing for fun". She hopes to participate again next season.

The Goodwood entry was placed in a group with Stouffville, Goodwood, Ballantre and Vandorf. In the concluding tournament, they reached the semi-finals.

"It's not all that competitive," Susie said, "most of the time we don't even find out the score until the game's over".

The award-winning coach praised her supporters calling them "the best group of parents any team could ever have". She couldn't recall a single problem all summer long.

Susie doesn't consider herself an athletic type person. "I learned from making mistakes like the rest of them," she concluded.

Claremont couple lose famous son

By Sandra Redshaw
CLAREMONT — Sympathy is extended to Frank and Peggy Jenkinson on the death of their son Frank of West Hill. Frank Jenkinson Jr. was Canada's Champion Acrobatic pilot, a title he won two weeks ago in Gatineau, Quebec. He was test flying an aircraft near Sutton when the crash occurred.

Sympathy is extended to the family of George Pickett of Glen Major who passed away this week. Funeral services were held on Saturday.

Peggy and John Vanderlight would like to thank everyone for their help and prayers while son Dwayne has been in hospital. Peggy's sister Denise Norton and neighbor Heather Redshaw have helped them enormously by watching the other Vanderlight children while they have been at the hospital. Peggy hopes to have Dwayne home in the near future, and he was allowed to come home for the past weekend.

We now have a number that is a local call for the new Pickering Recreation Complex. It is 683-6582. Wayne Arthurs, local councillor for Ward 3, was very prompt in obtaining this number for us. Mr. Arthurs assured me that we also would have new bleachers in the park for next year, if Council approves the Recreation budget. If the budget is not approved then the bleachers would be sanded and repainted. Lets hope that the Director of Parks and Recreation and Town Council will agree that these are certainly a necessity. Also needed is some new playground equipment for the children. If you have any ideas or complaints

don't hesitate to call Wayne Arthurs at the Town offices — 683-2760.
