

# Like magic---it fits!

## Huge Stouffville water reservoir slides up cement shaft

The town of Stouffville is known for its feats of magic but nothing could be more "magical" than the completion of the huge water reservoir, east of Hwy. 47 near the Sales Barn. One day, the holding tank is resting on the ground, and the next, its sixty feet in the air. While the construction firm had this in mind, only seeing was believing to spectators who happened

by and watched the operation take place. The reservoir will provide added water pressure for householders and increased reserves in case of a serious fire. The project is part of the Dulverton Subdivision agreement arranged by the municipality before building was started.

—Jim Holt.

### Campaign now over \$2,000

STOUFFVILLE — The United Way Campaign "team" in Whitchurch-Stouffville is working hard, endeavoring to reach its \$20,000 goal.

Captain Fran Sainsbury is optimistic the Town can improve on last year's total. However, she feels "giving the United Way" should not be confined to a set six-week period but rather should be spread over an entire year.

### WHITCHURCH-STOUFFVILLE WASTE REMOVAL NOTICE

LARGE ARTICLES AND USED APPLIANCES WILL BE PICKED UP THE LAST WEEK OF OCTOBER ON YOUR REGULAR PICK UP DAY.

THANKS FOR YOUR CO-OPERATION  
RALPH SPADEMAN LTD.

Guest Speaker: Dr. Roy Lawson  
Soloist: Miss Eileen Dillon

**EVERYONE WELCOME**  
Refreshments will be served after the evening service in the lower auditorium

### WE NEED YOUR HELP!

#### "Share the United Way"

Do you have a nice home? A car? A job? Good health? Normal children? Money in the bank? A happy marriage?

If your answer to these questions is "yes", then you are one of the fortunate people in our Town.

Do you have a drug or alcohol related problem? Are you handicapped? Are you living with cancer?

Are you lonely? Does anyone in your family have a learning disability?

If your answer to these questions is "no", then once again you are most fortunate. Give thanks!

Some people in your community have one or a combination of these problems. The burden is difficult, the stress great, they need your help! They are the less fortunate, for whatever reason.

Don't judge! Help by giving generously to achieve our 1983 United Way goal.

There is much joy in giving! It will truly be appreciated by those in need.

Chairman, Whitchurch-Stouffville  
FRAN SAINSBURY

While some exterior work must still be completed, this is how the tower appears today. Similar structures have been erected in Mount Albert, Newmarket, Nobleton and Markham.

—Jim Thomas.

## "Invitation To Live" Share unity at services

STOUFFVILLE — "We've a long way to go in bringing the Christian community together, but it helped". This was the feeling expressed by Rev. Philip Poole at the conclusion of a weekend preaching and teaching mission here, conducted by Marney Patterson and his "Invitation To Live" team.

Rev. Poole was the crusade chairman. He said the fact many people had made a decision with respect to their faith, was exciting. On this basis alone, he said, the campaign was "very successful".

The Anglican pastor admitted disappointment with attendance, Friday and Saturday. He said, however, that the congregation of close to 400, Sunday, was encouraging. The women's luncheon was attended by 100 and the men's breakfast hosted

close to eighty. He described the "coffee clusters" as "excellent".

Rev. Poole praised the messages delivered by Rev. Patterson and the ministry in music by soloist Jean Marshall and the ecumenical choir.

The total offering amounted to just over \$1,400, all of which will be used to subsidize the team's work in The Third World
