DREAM COMING TRUE

This is what the new Recreation Centre will look like when completed. The site plan for the Complex indicates it will be situated west of the High School playing fields, with access from the Ninth Line. As can be seen, three tennis courts, two soccer

fields - one incorporating a running track - are proposed, with the first phase being a new arena. Provision has also been made for an additional ice pad on the east side of the main building. It is envisaged that in due course, a community centre, squash

courts, indoor swimming pool and other facilities can be added as funds become available. Now finalized, the plans have been drawn up to make best use of available acreage.

Peewee win

Both Uxbridge and Whitby fell victim to the Credit Union peewees in league play last week.

Friday night saw them down Uxbridge 2-1 on home ice for the first time. It was a closely contested battle that produced a scoreless first period.

Dan Larmer fired both goals for the win, opening for Stouffville late in the second period, assists going to Darron Baston and Jamie Campbell.

Larmer's second goal proved to be the winner. Taking a goalmouth pass from Campbell he banged in the puck to make it 2-0 early in the third period. Uxbridge getting their solitary marker two minutes later.

The peewee win was marked by excellent forechecking that kept the Uxbridge squad from setting up the plays, while hectic penalty killing in the closing minutes preserved the win. Whitby bumped 7-4.

The previous Tuesday's game showed Whitby to be strong openers, but the challenge faded on a pair of goals by Sven Hennze; assists going to Craig Stronach, Tonio Trentadue, and Daryl Ham. Whitby getting one back before the end of the first period.

Darron Baston put Stouffville further ahead early in the second period, the assist going to Campbell, before Whitby woke to the fact that they were in danger of being swamped and came back with three unanswered goals, forcing Stouffville into a strong offence.

Upgrade diamonds

At a meeting of the community ball association and recreation committee members last week, a number of outstanding problems were dealt with regarding ball diamonds.

One of the main items dealt with is the grading of the main ball diamonds, something that has been requested for a number of years.

In response to letter from the association, requesting that urgent consideration be given to overdue maintenance, the following was approved: To grade both diamonds one and two, also to include in next year's budget the cost of installing a new tile bed at diamond one, estimated at around \$4,700.

Both diamonds will be graded this fall.

The SDSS midget volleyball team came second in the York Region championships, earning them a playoff spot in the GBSSA tournament at Aurora this week. Back row (l to r) Coach Jim Rehill. Ian Marshall, Danny Martin, Greg

Kenney, Scott Rehill, Manager Elaine Marshall. Front row (l to r) Dave Chilvers, Sean McQuigge, Jason Stronach, Paul Sinclair, Greg Tarr, Chris Harper, Rob Hart, Duffy Wallis; Missing is second team manager Sandy Newman.

Clippers drop both weekend home games

The A and S Construction Clippers are hard pressed for a win these days. The junior squad dropped both their home games over the weekend.

Saturday saw them go down 11-7 to league second place runners Port Perry, despite getting off to a good start. They led 5-2 after the first period on a pair of goals by Mitch Turner and singles by Bob Whiteside, Mike Anderson and Chris Brown. However, it was too good to last. Coach Jack Watson had to relieve goaltender Scott Lippert, who is still recovering from dental surgery, and from there on in it was all downhill.

Port Perry slammed in four goals in the second period, the Clippers only reply coming from a solo effort by Barry Green-shields, to tie it up 6-6 going into the third period.

The final frame was nothing short of a disaster for the Clippers. Port Perry did everything right, whereas the Clipper defence, always woefully weak, had to stand by and watch the visitors humiliate them with a five goal salvo. Adding insult to injury was the fact that four

of the goals were shorthanded - humiliating.

Bob Whiteside counted his second goal of the game to round out the Clipper score. Sunday's game

The Clippers fared no bet-

Commodores win tourney

The Commodores, Stouffville's little known Oldtimer team, came up with a 'D' division win at the Bradford Oldtimers tournament over the weekend.

The team was undefeated in all four of their games. The Commodores opened the tourney with a 4-1 win over Alliston, goals coming from Terry Weatherall (2), Howie Burkholder and Doug Carter.

Game 2 was a 7-1 walkover against the Hamilton Old Steamers. The scoring was shared by Howie Burkholder (2), Bob McKinnon (2), Terry Weatherall, Peter Healey and Don Kenney.

The Commodores had little trouble in disposing of the Stouffville Classics. What should have been a

close game turned into a 10-1 clobbering for the Classics. Heading up the Commodore tally with two goals apiece were Peter Healey, Don Kinney, Terry Weatherall and Jim Currie. Steve Ellis and Bob McKinnon counting for singles.

A second meeting against Hamilton in the fourth and final game made no difference to the standings. The Commodores recorded a not too difficult 4-1 win; the goals being shared by Kinney, Burkholder, Healey and Steve Black.

Team captain Larry Black received the trophy on behalf of the team, with Peter Healey being awarded Most Valuable Player.

opening period, with the Clippers outshooting the Muskies 15-7 in what promised to be a pretty even game. But, then, the best laid plans...

Three consecutive goals by the Muskies in the opening minutes of the second period were enough for Coach Watson to pull Richards and put his hopes in Lippert; not that it made the slightest bit of difference. The Muskies were already in full command and the only thing in doubt was the margin by which they would win.

Bell counted for the Clippers in the second period, but it was too little too late.

Going into the third the Clippers were already trailing 6-3 with little hope of holding the visitors to a tie, although they did manage to find the net on three occasions. Unfortunately, the visitors found it on four.

The Clippers are not scheduled to play this Saturday. Tonight they meet Lakefield at home, travelling to Lindsay on Friday. Sunday will see them at Little Britain. The next home game is on Saturday Nov. 19 when they meet Bewdley.

Spartan volleyball teams qualify

The SDSS Spartans midget volleyball team placed second overall in the York Region championships at Bayview High School last week. The junior squad made a clean sweep of the opposition and came through undefeated.

The Middets sprang a surprise win over a traditionally strong St. Roberts. Despite losing their first game 15-3, the Spartans went on to reverse the score in game two and edged their long-standing opponents 15-13 in game three.

Sacred Heart's defeat of Woodbridge saw them meet the Spartans in the final,

which meant that both teams earned a coveted spot in the Georgian Bay championships; Sacred Heart going on to win their first ever York Region championship.

It was a clean sweep for the Spartans in the junior division. SDSS downed Father Bressani 15-3, 15-0 before going on to defeat Woodbridge 18-16, 15-5.

Woodbridge had previously defeated Aurora in two straight games to reach the finals.

Both teams earned a playoff spot in the Georgian Bay championships being held at Aurora Nov. 11.

Midgets surprise Oldtimers with tie

"One of the best games we have enjoyed for quite some time," was only one of the compliments handed out by Clipper Oldtimer players after their Friday night exhibition game against the Becker's Milk Middets.

The game posed a few problems for the Middets. Played under Oldtimer rules - no contact or slap shots allowed - it took them a while to adapt before settling down; passing the puck well and making the Oldtimers realize that they were well and truly in a hockey game.

In the battle of youth vs experience the result was as 5-5 tie, which is as it should have been. End-to-end rushes made for a fast game and kept both goaltenders very busy indeed.

The end of the first period saw the Oldtimers lead 3-2, goals coming from Bill Ormson and Gord Ness, while Mike Feasby netted his first of two for the Middets.

Feasby opened the middle frame to tie the score, followed by goals from Ben Wallis and John Parcells. The Oldtimers replying

when the wily Bill Corner counted unassisted with only two minutes left in the period.

Parcells tallied his second goal of the game in the opening seconds of the third period, the assist going to Ben Wallis.

With a two goal deficit and only twelve minutes left to play, the Oldtimers got down to some serious work. Oldtimer Gord Ness worked so hard he earned the dubious distinction of earning the only two penalties of the game; both for tripping. Perhaps it was the only way he could stop 'em

But no matter, both spectators and players were well pleased with the experiment. It was an evening of entertaining hockey that tried the legs and stamina of the Oldtimers to the limit, whereas the young Middets were given a lesson in puck control, passing and player discipline.

Someone summed up the game in a nutshell when he referred to it as a 'gentleman's game,' and there aren't too many of those to be seen these days.

Atoms blast Village

Hosting Pickering on Friday evening, the atom Clippers skated to an embarrassing 10-1 win over their visitors.

The Clippers were ahead by five goals before Pickering managed to find the range in the second period. First period goals came from Jason Underwood, an unassisted effort, while Bill Payne counted for a pair. Both assists going to Dayle Lewis.

Second period Stouffville goals came from Drae Glover and Brandon Pridham, the assists collected by Jason Whitebread (2), Brad Blacktop and Glover.

Pickering were hammered mercilessly in the third period. Underwood counted for two more goals, while Glover, Lewis and D. Rugelis also tallied. Assists went to Lewis, Whitebread, Glover, Underwood and Jay Scaife.
