Stand on smoking worthwhile opinion

Dear Editor:
Through The Tribune, (until I can thank him personally), I wish to express my appreciation to the principal at Stouffville Secondary School for his firm stand on smoking.
Mr Nikifork's action, as I understand it, is related to the boys' and girls' washrooms.
This is fine. It should also make it easier for him to deal with the request for a "smoking area" within the building. The

filthy habit shouldn't be allowed ANYWHERE in the school.
By bowing to the wishes of a cross-section of students, the administration would be condoning a practice that represents a health hazard to young and old alike.
Don't let's make it easier to do something we all know is harmful.

Sincerely,
Adrienne Baker,
R.R. 3, Stouffville.

Hobby Day haven

DICKSON'S HILL — Nov. 23 is Hobby Day at Dickson's Hill School.
This popular event, now in its third year, involves more than 200 students from Grades 1 to 8 with a few participants from Kindergarten.

Joanne Roberts, staff Guidance instructor is in charge, assisted by a committee of parents.
Each pupil decides on the hobby he or she wishes to exhibit, then sets up his or her own display.

Reader praises grads

Dear Editor:
As a non-parent but an interested observer, I wish to add my compliments to the graduates, the award recipients,

the teaching staff, band, choir and all other persons connected with the S.D.S.S. Commencement Program, Nov. 11. It was a proud evening for our High School and community.
A more manly and cleaner-cut group of students I have never seen.

It would seem that etiquette and self-esteem have gone full circle, at least in Whit church-Stouffville. Hundreds of parents attending this

ceremony had just cause to feel proud.
Sincerely,
Justin Corbett,
Cherry Street,
R.R. 3, Stouffville.
