

A birthday blow-out at Regal Restaurant

Three members of Stouffville's Regal Restaurant Coffee Club, celebrated birthdays last week and waitress Cathy Baker wasn't about to let the occasion pass without a celebration. She provided the cake and, assisted by, (left to right), Elgin Wagg, Fred Castle and Harold Jarvis, snuffed out the candle with ease.

Wrong location

Dear Editor: Having been in engineering most of my life, and having experience in planning and landscaping several years, I am of the opinion the Edward Street site for the Recreation Complex is a mistake.

It's too small, with insufficient space for expansion. Edward Street is too narrow and cannot be widened. I would recommend the new arena be located adjoining the present one.

The old rink could be used in the future as a roller-skating arena. The park area to the south is large enough for other buildings comprising the Complex, with plenty of parking space.

While I'm in favor of the project, I'm concerned that too hasty a decision has been made with regard to a choice of location.

Sincerely,
Reg MacKay,
Maytree Avenue,
Stouffville.
