

Growth---wow!

STOUFFVILLE — We're growing, but not very fast. Latest figures released by the York Assessment Office, Newmarket, puts the population of White Church-Stouffville at 13,560, an increase of only nine from 1982.

While this sets us apart as the slowest growing municipality in York Region, we're doing better this year than in 1981 when we suffered a population decrease of 173. Since 1979, the

Town has grown by 145, with the greatest increase (288) from 1981 to 1982. With several weeks still to go, figures for 1983 aren't complete.

Population in all of York Region stands at 278,140 with the breakdown as follows: Markham-87,841; Vaughan-40,833; Richmond Hill-40,042; Aurora-16,763; Newmarket-30,996; King-15,331; East Gwillimbury-13,057 and Georgina-19,717.

Town buys property Too crowded

STOUFFVILLE — In an effort to solve the problem of overcrowding within the Town's Municipal Offices, additional property has been purchased immediately to the east.

Council passed a bylaw, Nov. 22, authorizing the mayor and clerk to acquire a residence at 26 Church Street South. The present structure on Civic Street will remain in use. The additional site will take some of pressure off Council explained.

"This particular building (on Civic Street) is bulging at the seams," said Mayor Eldred King. The new property will allow us more room and constitutes a good investment, he said.

Village Pools --new site

STOUFFVILLE — Village Pools Ltd. of Stouffville has moved.

A grand opening was held last weekend at the store's new location in Success Square Plaza, 220 Main Street. They were previously located

Products available at Village Pools include hot tubs, spas, sauna kits, patio furniture, pool accessories, and a variety of items used around the pool or hot tub. They also have a line of clothing (ie. jogging and bathing suits) and small linen available.

Mr. Jones added that he and partner, Peter Mabley, are extremely pleased with the new store. "We just love it. It turned out really nice," he said. "The response has been very good so far."

Sign language

STOUFFVILLE — The Stouffville Family Life Centre has been asked to initiate a sign-language course for persons interested in learning this skill in dealing with their own deafness and/or working or living with deaf persons.

In order to commence classes in Stouffville, the Canadian Hearing Society requires at least ten interested people. The contact number is 640-2123.

"This was my old dress. Now I'm wearing my daughter's."

—Ann Davidson, housewife and Weight Watchers Leader, lost 30 lbs., has kept it off for five years.

Five years ago, I was drowning in a sea of food. My Weight Watchers group was my lifeboat. Weight Watchers helped me turn around my thinking. I learned to take action and make choices that put me on the winning side of the scale.

Today I am still free of 30 lbs. of fat, free to be thin, free to be me!

Lose weight once and for all.

A&P

Correction

In the A&P flyer being distributed by mail in this area during the week of November 28th to December 3rd, 1983, the following errors appeared.

- The 2.5 kg size was missing on Five Roses Flour
- The regular price and saving on Heinz Strained Baby Foods should have read our regular price .44 each-buy 3-Save .33.
- Copy on A&P, Japanese Mandarin Oranges should have read 10 fl oz in .79—SUPER BUY
- Retail on Jane Parker Fruit Cake 900 g ring should have read 6.99
- Retail on Medium Size Cheese Basket should have read 15.99
- Size of pkg. of Fresh Spinach should have read 10 oz.

A&P apologizes for these errors and any inconvenience they may have caused their customers.

Are your hard-earned dollars going up in smoke?

Then take a few minutes now and discover how adding electricity to your oil furnace can dramatically cut the cost of heating your home. If your oil furnace is in good condition, but you'd like it to run more economically, a dual-energy system combining oil and electricity may be just the answer. In fact, depending on how much electric heat you add, and how you operate your system, you could use as little as one tank of oil for an entire heating season! For example, an electric plenum heater or heat pump, will reduce the amount of oil your furnace uses by up to 75%. In addition, a heat pump provides air conditioning in the summer for economical year-round comfort.

If your furnace does need replacing, an electric furnace or one of the other electric systems can heat your home cleanly, efficiently and economically.

If you'd like to know more about dual-energy and all-electric systems, write to Ontario Hydro, 620 University Ave., 4th Floor, Toronto M5G 1X6, and ask for our free booklet "Electric Heating Options for Your Home."

The few minutes you take now could add up to big savings this winter.
