## Peewee tourney

Markham's double A Peewee team swept the board at the Whitchurch-Stouffville Minor Hockey Association's tournament on Saturday.

Stouffville hopes were dashed when Markham edged them 3-2 in the tightly contested opener, and again when they met Unionville in the Consolation round semi-final - going down 4-2.

Markham went on to win the championship, title edging Richmond Hill 2-1 before dropping Cobourg 7-3 in the final.

The Consolation round winners were Unionville, who beat out Brooklin-Whitby 8-2 in a one-sided final.

The tournament, supervised by Eldon Wagg and Maurice Hamilton, was a well organized affair that brought favourable comment from both players and parents.

## Party planned

## Sanding methods rapped

STOUFFVILLE — The sanding of Town roads and streets, particularly in the former Village of Stouffville, has come in for criticism, according to letters and calls received by The Tribune.

Early morning commuters claim sanders aren't out soon enough; that most Toronto-bound motorists have already left before sanding vehicles appear.

However, Works' Superintendent Ron Gibson says nothing has changed, that his department responds to the first road-hazard warning called in by York Regional Police.

Often, he said, sanders are out as early as 5 a.m. One employee is "on call" 24 hours a day, he explained.

Gibson stated that priority is given certain routes, with Stouffville's Main Street heading the list. Secondary roads, (subdivision streets), he said, must wait. "Someone has to be last," he noted. The Town has four sanding vehicles, two that operate in Stouffville and two in the former Twp. of Whitchurch.

The superintendent agreed if the present arrangement isn't proving satisfactory, changes will be made. "We may have to start earlier," he concluded.
