## R.E.A.L. Women

# Speak up!

Dear Editor:

Radical feminists' groups proclaim to speak for ALL women.

This is outrageous!

The media reports all they say as being the voice of ALL women.

This is also outrageous!

We, the R.E.A.L. (Realistic Equal Active for Life) Women of Canada, nationally incorporated in October, 1983, are already 10,000 strong! We are going to fight back on every single statement and issue the radical feminists make, with which we do not agree. We have been silent long enough!

We will be addressing such issues as: No fault divorce; day care; pension

reform; equal pay for work of equal value; affirmative action; pornography and prostitution and reproductive choice.

Our lifestyles reach right across the Citizen's Band. 1984 is OUR year!

Sincerely,  
Sabina McLuhan,  
Patricia Gerretsen.

Others are asked to send in donations by self-addressed envelopes that will be going out soon.
