

markville's 2nd ANNIVERSARY

Markville Shopping Centre...

Celebrates its 2nd birthday

It's hard to believe, but in just three days Markville Shopping Centre will celebrate its second birthday.

Located at Hwy 7 and McCowan Rd., the two-storey shopping centre has practically become a landmark in Markham. Its success goes without question and Markville

manager Mitchell Scharf is pleased.

"I feel terrific. During the last year we've seen a great increase in business," he said. "Last summer we had a 25 to 30 per cent increase over the previous summer and we've maintained that level ever since."

He attributed this to a larger population and to people realizing that Hwy 7 and McCowan Rd. is not so far away.

"There used to be a thought that Markham was half way to Montreal," said Mr. Scharf. "We're serving people from as far away as Barrie."

Another sign of the mall's success is its small ratio of turnover, which Mr. Scharf said is less than one per cent.

"We were fully leased when we opened (March 17, 1982) and we are fully leased now," he said. "There's never been a store vacant for more than a month."

Mr. Scharf said the feedback he gets from shoppers is very positive.

"People are just as pleased with the mall as they were when it first opened," he said. "They take pride in the cleanliness and beauty of the shopping centre which I think is an attribute to the community."

Phase II of Markville is scheduled for 1986 when an additional 400,000 square feet of shopping area will be added, said Mr. Scharf.

"As the community grows, we'll be here to serve their needs," he said.
