

Free legal advice offered

Markham residents needing free legal advice can consult a lawyer through a Duty Counsel program starting March 16 at the Markham Family Life Centre on Main St.

It is designed to offer legal guidance to people who ordinarily do not have access to a lawyer.

Markham lawyers Paul Smith, Bruce Solomon and Douglas Wells will participate in the program, which is sponsored by the Legal Aid Society of Ontario.

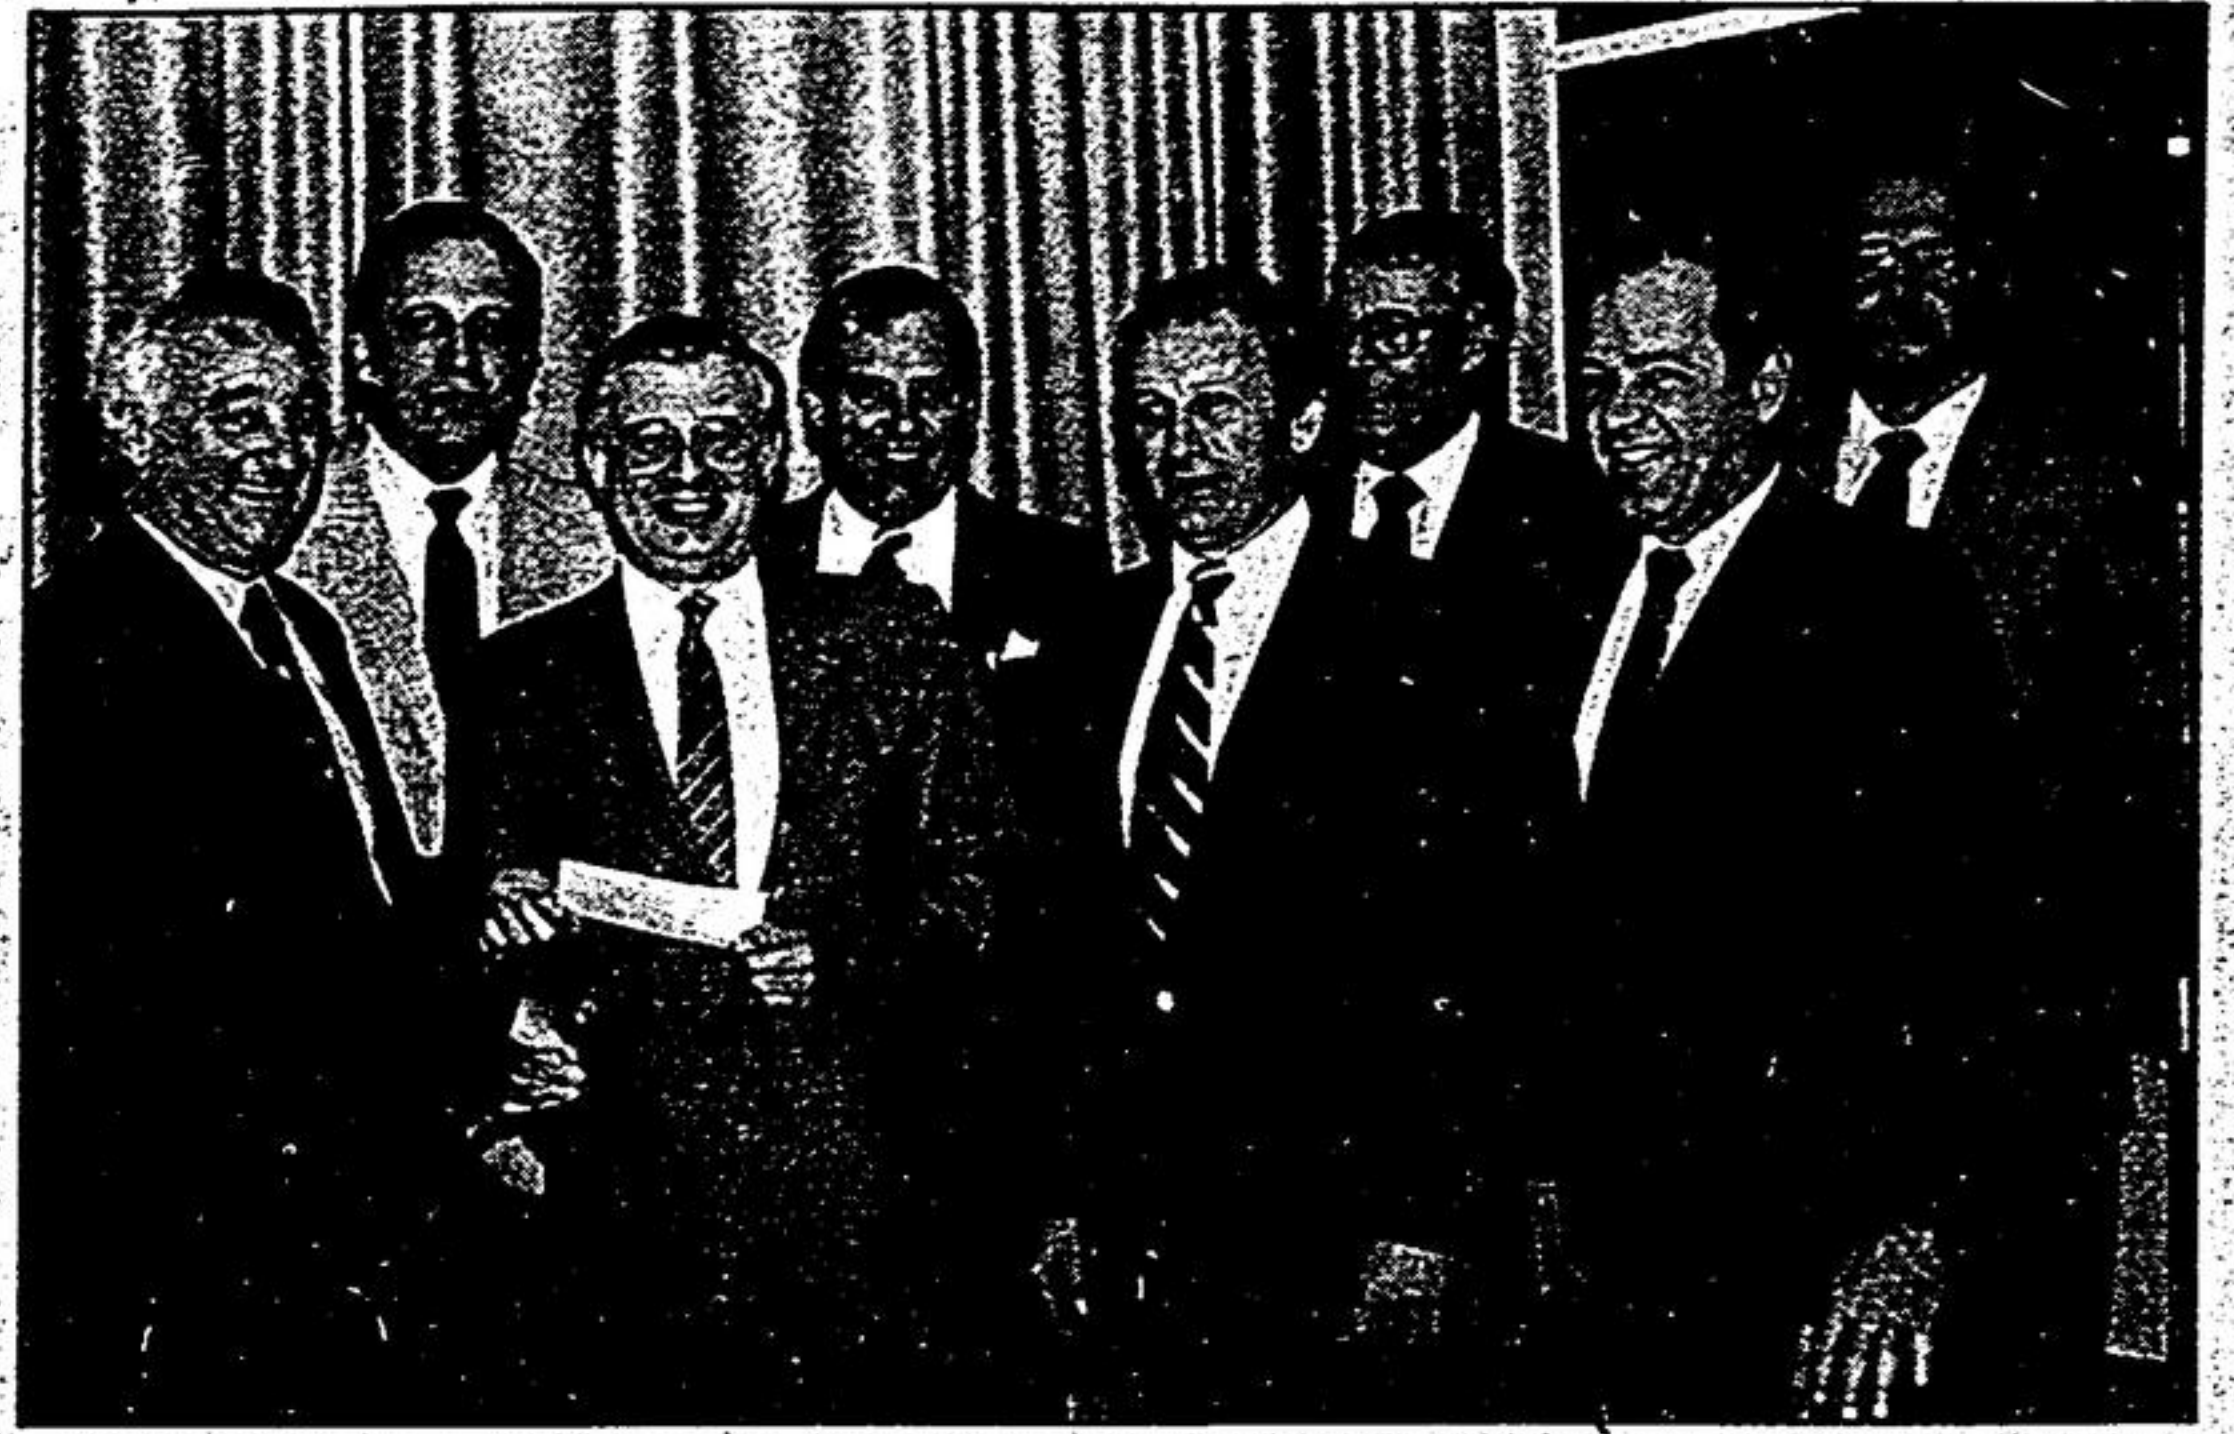

The duty counsel program will be helpful for welfare recipients, the unemployed and for housewives who would benefit from legal advice.

It will provide advice, but will not handle a legal case through the courts. Clients will be referred if litigation is indicated.

The program will operate on a three-month trial basis to determine if there is a need in this community.

The duty counsel will be available on Fridays from 2 to 5:30 p.m. at the Family Life Centre, 113 Main St. N.

Several Markham principals recently received incentive awards for their schools' part in a York Region Board of Education energy conservation program. Pictured are (left to right) Art Boynton, William Armstrong P.S.; Doug Ford, Parkview P.S.; Markham Trustee Charles Cooper; Bob

Town of Whitchurch-Stouffville

HALF LOAD RESTRICTIONS

Half load restrictions will be enforced on all roads under the jurisdiction of the Town of Whitchurch-Stouffville from MARCH 1st, 1984 to APRIL 30th, 1984, inclusive.

Ron Gibson, Road Superintendent.

Consider what electric baseboards have to offer.

- CLEANLINESS**
Electric heat is flameless heat. There's no smoke. No soot. No dust. No fumes.
- SPACE SAVINGS**
They fit compactly along walls.
- FLEXIBILITY**
They can be used with your oil or gas furnace, or alone to supply all of your heat. They're ideal for home additions because there's no need to extend the ductwork of your existing furnace.
- COMFORT**
With these systems you can have a thermostat in every room. So you can keep the living room warm, the rec room cool and the spare room even cooler.
- EASY INSTALLATION**
They can be installed quickly and easily, and in many cases electrical wiring doesn't need to be upgraded from 60 or 100 amp service.
- COST SAVINGS**
Heating your home with electricity costs less than heating it with oil.

Call your local Hydro and join the converted today.
