**MARKHAM Transit**

**WE'RE MAKING IT BETTER FOR YOU**

On Monday, April 16th, Markham Transit will be implementing a number of timetable and routing changes.

- During the Midday period, the route 3 and 4 buses will now be staggered to provide 30 minute frequency service into Unionville from Highway 7.
- In the evening, the trunk route buses from the Finch Subway Station will now connect at Highway 7 and Kennedy Road with the northbound route 4 bus into Unionville.
- The routing of the Northeast Markham bus (route 2) will be revised slightly to provide broader transit coverage in the Larkin Ave. area.
- A new route will be added to serve the Thornlea East community of Thornhill. This new route will be tied in with the Willowbrook Road section of the existing route 7.

Copies of the new route map and schedules are available from the bus drivers, the community libraries and the municipal offices. For further information, contact Don Gordon, Markham Transit co-ordinator, at 477-7000.
