Memories

Dear Mr Thomas:
How touched we were with your Roaming Around column of April 4.

I came as a bride to Brougham in 1952 but my husband's family had settled in Pickering Township in 1843 and each and every one contributed to the town.

Grant attended school there; played ball with Bob (Miller) and Swifty (Todd) for twenty years; coached the younger boys; was a volunteer fireman; served as an elder and was chairman of the Building Committee when we renovated the church.

I remember meetings in our home every Sunday evening for three years while this was being done.

Our children, students at Stouffville Dist. Secondary School, were born and raised in Brougham. This all came to an abrupt end with the Airport Expropriation in 1972 when friends were scattered far and wide.

You may not have seen much life and not a great deal of hope, but the spirit of the community is still alive and strong in everyone who ever lived and worked there. We appreciate the fact that someone else can see it with the love we feel and can share some of our memories.

Sincerely,
Norma Johnston,
R.R. 3, Stouffville

Enjoyable

Dear Mr Thomas:
When someone does a good job and that job is appreciated, that person should be told.

I'm writing you to say how much my husband and I enjoyed the Farm Section in the April 11 Tribune.

Each of the persons on the Front Page is known to me or my husband. We appreciated in particular the story on George Timbers. He's everything your story said.

Every once in a while one sees stickers on car windows saying "we love our Dodge" or "we love our Toyota". We'd like to place a similar sticker on our mailbox reading: "We love our Tribune".

Sincerely,
Marianne Kirby,
R.R. 2, Stouffville.
