## May Day festivities

UXBRIDGE — The Parents Guild for St. Joseph's Separate School, Toronto St. South, Uxbridge, are busy preparing for their upcoming May Day Fun Fair which will take place Saturday (May 5) from 11 a.m. until 4 p.m. at the school.

The guild is holding this event for the first time to help raise funds to purchase different equipment for the school said organizer, Mary Rivers.

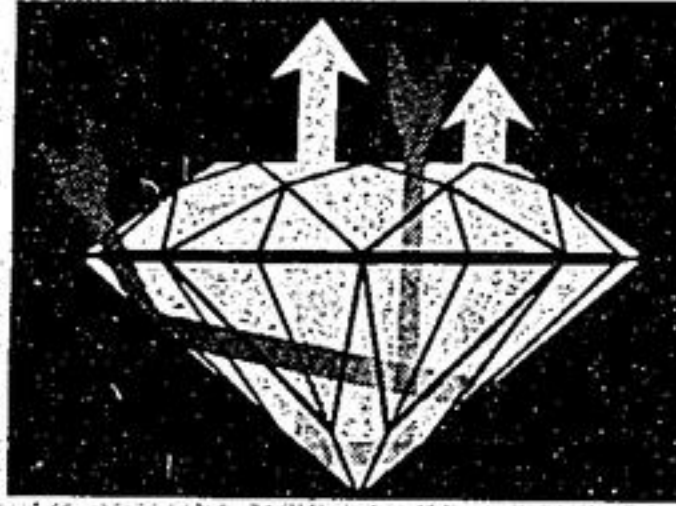

"We're inviting everyone to participate and play," she said. The object of the day is to have both students and members of the public join in on games and various events.

May Day will consist of games like golf; a bean toss, basket throwing, and floor hockey; house league events; a children's talent contest; bake sale; crafts; 50-50 bingo; plant and book sale; a new Tupperware 'overware' demonstration; games of chance for both children and adults; and a tea room for refreshments.

There will also be a children's baking contest where children will have to "bake like mom". Mothers can donate recipes, however, the children must complete the contest without baking help from their mothers.

WHAT MAKES DIAMONDS SPARKLE?

If you believe sparkle comes from anything other than CUTTING you are wrong. Correct cutting brings out what nature began. A properly cut diamond shows an equal distribution of light and brilliance at all distances from the eye. It refracts the light back through the top. In a poorly cut stone the light rays leak through. Is seeing believing? Let us show you.

## SHOP LOCALLY!

You can count on courteous, knowledgeable service from local merchants

Every purchase you make, no matter how large or small, deserves special consideration. After all, when you're spending your hard-earned money, you want to be sure you're getting your money's worth. Local merchants understand this and are willing to answer all your questions. They want you to be satisfied with whatever you buy and they'll take the time to see that you are.

When you shop locally, everyone benefits. It's more convenient so you save gas and time. You get friendly, knowledgeable service because local merchants "know" you and appreciate your business. They depend on you to keep their stores going strong. And some of what you spend goes back into the community in the form of taxes and charitable contributions paid by the merchants.

### Remember...

Your money buys more when you shop at a local store. It's good for you, good for us, good for the community.
