

Parked car torn apart in crash

No one was seriously injured because only one person occupied the two vehicles involved in a spectacular crash on Hwy. 48, near Dickson's Hill, Monday. Belinda Collins, 20, of R.R.

2, Stouffville, had parked her fiance's car (right) and gone to a phone to summon assistance after the vehicle developed a flat tire. Mi-

minutes later, a loaded gravel truck (left) slammed into the auto, then overturned in a nearby ditch. The truck driver, John Guy, 32, of Scar-

borough, suffered back, shoulder and arm injuries and was taken to hospital. For full story see Page A-1.
