Summitview's Clint Nichols was unbeatable in the intermediate high jump division. The grade 7 student consistently cleared the bar with inches to spare in the final jump off, to qualify for the area 2 meet next month.

Schools combine Track and Field

Athletes qualify for Area 2 meet

Good weather, excellent organization and highly competitive athletes combined to make Summitview Public School's track and field meet, held at the High School on Thursday, a great day for both students and teachers alike.

Stouffville's Christian School combined with Summitview to make it an athletic double header.

Organizer Jim Fletcher of Summitview's Phys., Ed., department was delighted with the outcome of the days events. "We have a fine crop of athletes going on to the Area 2 meet next month and I am pleased that the Christian School decided to use our facilities and join us for the day," he said.

Missing this year were athletes from Orchard Park Public School. Their timetable being such they could not find the time to attend; they have previously attended all the meets. However, they will

Spoorenberg scores hat trick

Seniors set hot pace

Stouffville's senior soccer team romped to a 6-2 win over Uxbridge last week. It was their second win of the season.

The first half saw Stouffville play a mainly defensive game, with goaltender David Brubacher well supported by the defensive line of Chris Goodyear, Hank Benders, George Sled and Jim Currie. Between them they managed to keep the

aggressive Uxbridge attacks at bay.

Early in the second half, Stouffville switched to offense and, led by a superb hat trick by Koos Spoorenberg, kept the opposition defense off balance.

Uxbridge replied with a pair of goals, coming close to tying it up with a penalty shot that bounced off the post.

The addition of Wolfgang

Bopp and Daniel Laemmler to Stouffville's forward line paid dividends. Following Spoorenberg's scoring spree, between them they netted three more goals.

Some fine passing plays between Charles Parker, Bopp and Laemmler gave Bopp the opportunity for a fine pair of breakaway goals.

The fast-moving game took its fair share of in-

juries. Tim Claydon, Stuart Constable and Martin Johannessen were all sidelined.

Next game on the senior's schedule is a return match against Newmarket this coming Sunday. In their previous encounter Stouffville collected an easy 6-1 win.

The seniors have posted two wins, a loss and two ties to date.

Surprise of the day was Summitview's second string relay team. They beat the number one squad. Jason Stover is taking the baton from Sean Lewis in the second hand over.

Saints first win

The Novice Girls (Saints) allstar ball team got away with a good start to the season. They posted an 8-7 win over Unionville on May 23.

Mound duties were shared by Debra Surman and Lynda Belisle, with shortstop Catherine Dunkeld and catcher Shawn Morrison leading the offence. Dunkeld, who took an extremely bad fall while rounding the bases, refused to sit out the game and ended up hitting a homer and a single. Morrison fired a double and single.

The Saints' home games will be played at the main diamond on Wednesday night at 6:30 pm. Next game is against Aurora on Wednesday, June 13.

Top athlete

Representing the York Central Association for the Mentally Retarded, Tracey Garbutt of Manitoba St., Stouffville, won four of five events that she entered at a track meet in Orillia last Saturday.

Tracey put in a remarkable performance by finishing first in all four of the following event: 50 metre dash, running long jump, standing long jump and baseball throw. She also finished second in the hundred metre sprint.

The meet, held at Twin Lakes Secondary School, Orillia, was the qualifying round for the Special Olympics.

Tracey is one of four athletes who will represent York Central at the Provincial Special Olympics, scheduled for Windsor at June 23.

Fun league

In Tuesday night ladies Fun League action, Canadian Tire downed Used Car Trade 17-2. Joy Coxworth fired a homer for the Tire girls.

Lee Sand and Gravel also posted a big win; a 17-8 win over Ken May Real Estate. Ann Spice and Jan Blacktopp were the home hitters for Lee in this one.

Two more game have been arranged for June 9th, with coach Gary Lane's team representing Stouffville.

Competition in the atom long jump was fierce and some pretty good performances were recorded. Here, Paul Spencer puts his best foot forward.

Molson soccer tournament

The first annual Molson Master Soccer Tournament, to be held in Stouffville on August 18 and 19, is open to all men and women registered in senior recreational teams. Players must be 30 years or over as of Jan. 1

'84 and registered as a recreational player. The tournament is limited to 32 mens' and 16 womens' teams. For further information contact Steve Trentadue 640-2827 or Gavin Smith 640-473.

Panthers make late start

The Panther soccer team came close to losing their league opener against Woodbridge last week. Woodbridge, never a team to be taken lightly, walked through their sleepy defense and scored early in the game.

Finally, the Panther passing machine clanked into life, producing some fine plays and an excellent performance from rookie Aaron Massey; Massey really opened up the game.

The Striker line captured most of the scoring. Drea Glover fired two while Jamie Grist and Gilles Francis added one each.

Midfield scoring came from Jason Melko and Travis White. The 6-2 win places the Panthers at the top of the Major Mosquito 'A' division.

Two teams, under 14 and under 16 year-olds, from St. John's Christian School, Claremont, met in exhibition play last week. Stouffville's Royals totally outclassed their opponents, but in the Bantam game, the teams were well matched and Stouffville were lucky to escape with a 1-0 win.

Qualify for finals

Tania Townend and Camille Rutherford will represent SDSS at the OFSAA track and field championship at Etobicoke Stadium on June 1. The dynamic duo place well in the regional championships, held at Oaks Park, Niagara, last Thursday.

Tanya came 4th in the senior division with a high jump of 1 metre 55 cms, while Camille returned her personal best in the junior division long jump with 4 metres 85 cms, to take 2nd place.

Kelly Cowan, who placed 9th overall in the 1500 metres, failed to qualify.

Peewees split early games

Canadian Tire is sponsoring a new peewee rep. ball team this season. The team, consisting of 15 players, is coached by Howie Burkholder with Brian Wilkes assisting.

The team boasts seven members; from last year's squirt team: Chris Burkholder, Rich Burkholder, Robbie Parcels, Keith Piette, Danny Larmer, Jamie Campbell and Scott Evans. Remainder of team strength is made up of the following players: Derek

Hamilton, Blair Steel, Peter Byer, Peter Fintleman, Jason Stover, Jason Yoshida, Guy Cowan and Michael Grove.

Competition will come from Markham, Newmarket, Port Perry, Thornhill, Goodwood, East Gwillimbury, Bradford and Oak Ridges. Stouffville home games will be held at the main diamond on Thursday nights at 6:30 pm.

So far, the team has posted a win against Newmarket and a loss to Markham.
