

## Proceeds to hospital

Students of Parkview Public School in Unionville have used their musical talents to raise \$1,377 for the Markham Stouffville Hospital Building Fund. Proceeds from two student concerts have been donated to the hospital fund. Hospital board member Dorothy Jenner received two cheques yesterday during a special presentation at the school.

In May, the primary youngsters, Kindergarten to Grade 3, raised \$625 during their concert. In February, junior

students, Grades 4 to 6, raised \$752 for the fund. The primary students have specifically earmarked their money to go toward an oxygen mist tent in the new facility, while the juniors want their money spent on physiotherapy equipment. The hospital has raised approximately \$4.5 million thus far. Construction of the new facility, to be located near Hwy 7 and the 9th Line, is slated to begin early in 1985.

## Quiet on the set

The Rent an Oldie car lot on Hwy 7 near the 9th line was transformed into a used car lot last week as the crew of CTV's Littlest Hobo came to Markham to film part of an episode of the popular television drama. The series is currently shooting for the fall season.
