**No Juniors**

To: All Junior 'C' Clipper fans, supporters, players, sponsors and managerial staff.

The management of the Junior 'C' Clipper team and the Minor Hockey Executive wish to inform everyone, especially the loyal supporters of our Junior Clippers team, of a decision to withdraw from the OHA Junior schedule for the upcoming 1984-'85 season.

This decision was not lightly made. After a great deal of soul-searching and many hours of discussion, it has been decided that it was not economically feasible to ice a team this season.

We, the executive and management of the club, wish to thank all persons, players, coaches, sponsors and support staff who tried so very hard to make this a successful venture. During the past several seasons we have tried many things to help strengthen the organization; but to no avail.

The success of any organization depends on a total commitment of players, coaches, sponsors, management and fans, and sufficient revenue and financial backing to support incurred expenses.

The Clipper organization was interested (this year) in forming a team comprising of local players who were intent on playing for Stouffville. There was a wealth of talent available. However, there was not sufficient support and commitment from sponsors to finance a Junior team.

We are taking a leave of absence for one year; but anticipate a return to the Junior 'C' circuit next year, providing we can put together the necessary pieces to make it a viable operation. In the interim period we will ice a Juvenile club, and we are working very hard to fill the Junior 'C' ice time with an alternative team which, we feel, will be appealing to fans of all ages.

This was a most difficult decision to make. To all those who have been associated with the Junior club over the years we wish to express our deepest regret.

We look forward to your continued support, and hope that we can somehow renew our acquaintance with everyone in the very near future and again cheer our Junior Clippers towards a winning season.

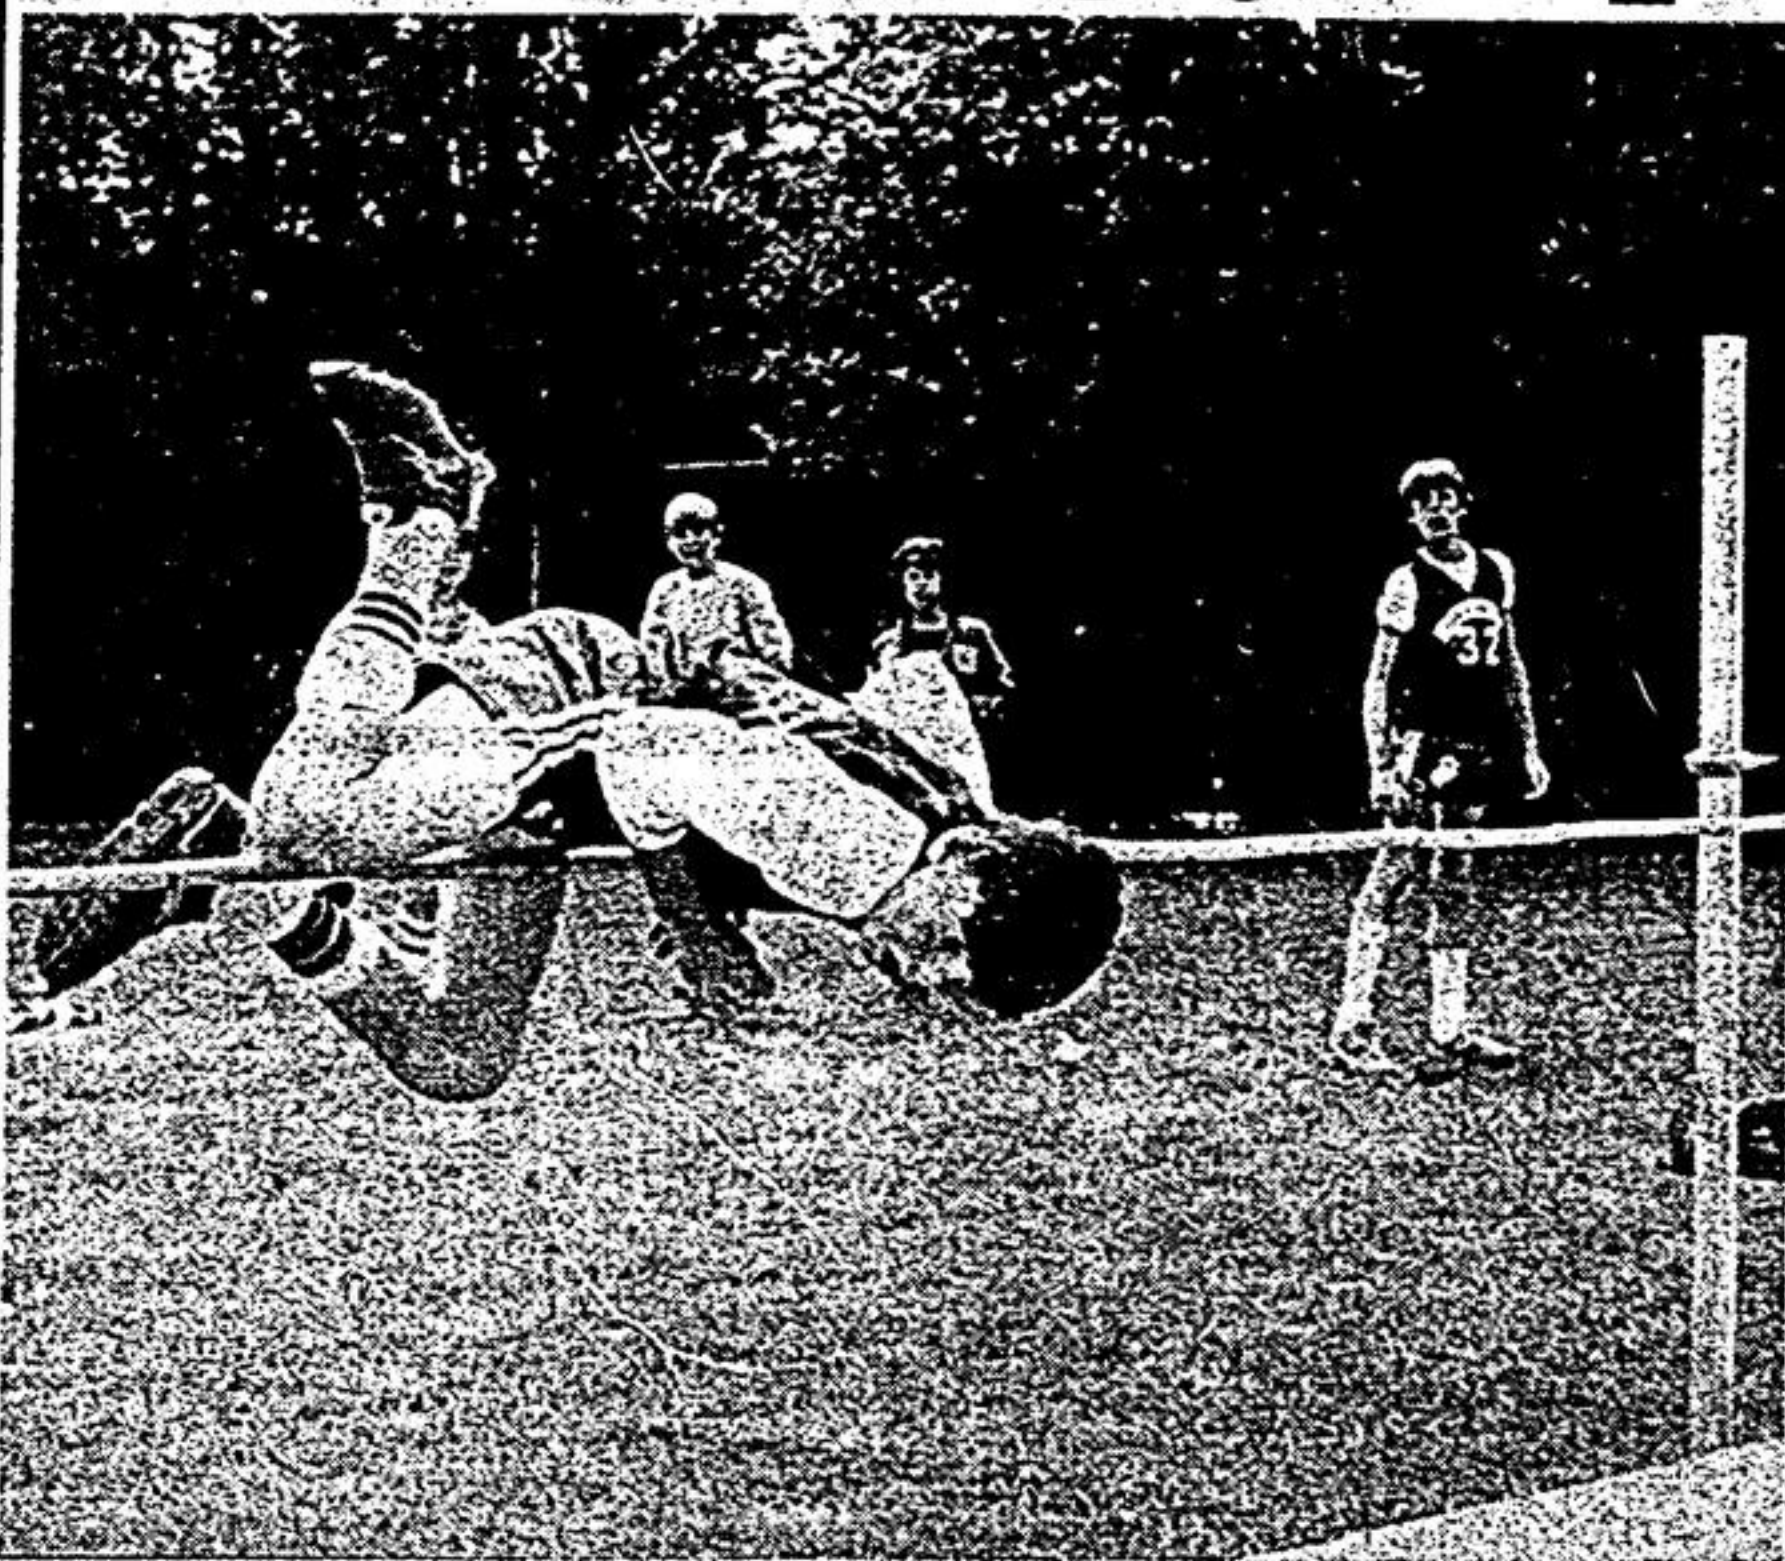

Signed  
Junior Clipper and Minor Hockey Executive.

**Fun league**

In Ladies Tuesday Night Fun League action, Ken May Real Estate edged Used Car Trade 12-11 and Lee Sand and Gravel beat Canadian Tire 18-7.

Doreen Ertle fired a homer for Lee Sand, while Karen Larsen hit the sole homer for Canadian Tire.

**Wins title for second year**

Executing a perfect straddle jump, Summitview's Dayle Lewis won his division in the York County's Track and Field Meet for the second year in a row. Watching his performance is Scottie Evans (right), this year's intermediate high jump champion.

**Robbie schedule**

With only one soccer field available to them - they couldn't get a permit to play on the SDSS west field - Stouffville's soccer club will only be able to invite five teams for next Saturday's segment of the Robbie International Tournament.

On Saturday, the Castle Royals go up against Armourdale at noon, with an afternoon game scheduled against Laval (Quebec) at 3 p.m. On Sunday they meet a team from Virginia (U.S.A) at 10:10 a.m. and Ajax at 1:10 p.m.

The Panthers will play four games in Pickering. They will meet Sudbury and Agincourt on Saturday, followed by games against Potomac (Maryland) and Mississauga on Sunday.

Stouffville's visiting soccer team from Kingsmuir, Scotland, play all five games of their Robbie schedule in Scarborough.

International game night. One of the most interesting games of the weekend will be the Royals vs Kingsmuir match on Monday night. The visitors, who are being billeted in Stouffville, will meet for a friendly game at the SDSS west field. Game starts at 6:30 pm.

Parade of Champions. Due to the fact that they are representing the Town in the Robbie tourney, neither Panthers or Royals, the only teams eligible, will be able to take part in the Parade of Champions organized by the Kinsmen Club. Unfortunately, this means there will be no representation by the WSSC in the parade.
