

Her church is important

Member at Heise Hill

Eighteen-year-old Donna VanderBent, Kennedy Road, R.R. 1, Unionville, is a Grade 12 student at Stouffville Dist. Secondary School and a member of the S.D.S.S. choir. Following graduation, she plans to take a course related to interior decorating.

When it comes to involvement, eighteen-year-old Donna VanderBent need look no further than Heise Hill Brethren in Christ Church. It's the centre of her life and has been for as long as she can remember.
"I'd miss it," she says, "our whole family attends."
She's our "Girl Next Door."
Donna lives on the 6th concession at R.R. 1, Unionville, one of three in the family of Mr and Mrs Bruce VanderBent. Others include a sister, Linda, and a brother, Larry.
Donna's involvement at Heise Hill includes president of the Youth Club; a helper in the nursery; a Sunday School teacher at Jr. Church and a member of a vocal group

called "New Generation". Other participants are Velvet Wideman, Bonnie Wideman, Heather Wideman, Brenda Empringham and Laurie Pugh. Their accompanist is Linda VanderBent. Donna and her family also sing on special occasions.
Donna received her elementary education at Dickson's Hill. She's presently a Grade 12 student at Stouffville High and aspires to becoming an interior decorator. Art is her favorite subject.
Donna's vocal talents aren't restricted only to church. She also sings in the choir at S.D.S.S.
During the summer she served as a counsellor at Camp Kahquah near Magnetawan. It was there she met Roland Cober of Kitch-

ener. Because of the distance factor, they get to see each other only on weekends.
Donna resides on what she describes as a "hobby farm". Her father, a well-known area contractor, keeps several cows, prized Bantam chickens, doves and pheasants. The doves serve as early-morning alarm clocks, Donna says.
They also accommodate a number of cats and kittens.
Donna's most recent holiday was a trip by air to Palm Springs, California. While in Hollywood, she viewed the filming of a T.J. Hooker episode and viewed the estate residence of comedian Bob Hope.

The Pony did it. In its first six months on sale in Canada, Pony made history by outperforming any import car launch.

How did Pony do it? First, by bringing to Canada a thoroughly proven car. The Pony was tested on proving grounds and roads around the world, then put through a bone-crunching northern Ontario winter a whole year before the Pony was launched.

Second, the Pony is a great car for the money. Hyundai puts many items on the car that are far above the standard in the price category. For example, Michelin all-season steel-belted radial tires, rear window defroster, cigarette lighter and full reclining front bucket seats.

Third, Hyundai recruited experienced, capable dealers for its nationwide network.

So the Pony was introduced to Canada through a body of people who knew how to sell and service cars.

It all adds up to an historic occasion: the all-time import launch. Be part of the excitement. Go to a Pony dealer and ask for the keys.
