## "Girl Next Door" A gain for S.D.S.S.

By Jim Thomas / Markham's loss is Stouffville's gain. Sixteen-year-old Tiina Krabi would, under normal circumstances, be a Grade 11 student at Markham Dist. High School. Instead, she's attending at S.D.S.S. due to the fact M.D.H.S. is bursting at the seams.

She's our "Girl Next Door." Initially, Tiina wasn't overly thrilled with the idea of travelling to Stouffville. It meant leaving many of the friends she had come to know during her elementary years at Markham's William Armstrong and Franklin Street Schools. But she persevered and quickly adjusted to her new environment. Now she's happy, particularly with staff teachers like Alex Shields, John Marshall, Jim Rehill and Jan McBride. She also thinks principal John Nikifork is doing a marvellous job.

Tiina resides on the 10th Concession of Markham. She has two brothers, Mart, 14 and Andre, five, and one sister, Helene, 13.

The family name is Estonian and Tiina can speak the language. She's also quite fluent in German and French, and recently enrolled in a night school course in Latin.

This spring, her knowledge of German will improve when she spends three months in Germany as part of a student exchange program. She's looking forward to the experience. However, boyfriend Paul Charron undoubtedly thinks differently.

Before returning home, Tiina hopes to visit parts of Italy. She's been coast-to-coast across Canada and the United States, and enjoyed a holiday trip to the North West Territories.

Tiina's interests include gymnastics, scuba diving, swimming, waterskiing,

downhill and cross-country skiing, stamp collecting, reading and photography.

This personable S.D.S.S. guest, from Markham, claims country living's best, but quickly adds, "If you have a car."

Sixteen-year-old Tiina Krabi, Conc. 10, R.R. 1, Stouffville, rightfully belongs to Markham High. However, due to overcrowded facilities there, she's a student at S.D.S.S. Tiina's interests include gymnastics,

photography, all types of water sports as well as downhill and cross-country skiing. She's looking forward to a three-month exchange trip to Germany this spring.

## Walk-a-Thon raises funds

BY CHRIS GARBUTT / This week, the Students' Council of Stouffville Dist. Secondary School, holds its first major fund-raising project of 1984-85, and it's not the selling of chocolate bars! It's a Walk-a-Thon—a new idea.

The Walk-a-Thon was first proposed by Council President Kelly Cowan. She felt that, after several years of selling chocolate bars, it was time for a change.

The Walk will take place Thursday (tomorrow), beginning at 12:30 p.m. Participants will leave from the school and follow a route through town to the Bethesda Sideroad and return. Sound like a long hike? No problem. It's good exercise and for a good cause.

As with any similar project, money is pledged per kilometer. There is one difference, however: The cash that's pledged is turned in BEFORE the event. By now, everyone has turned in their money—right? Right!

Now for the nitty-gritty—what's in it for me? First, classes are continuing as usual during the Walk-a-Thon. Those with tired blood and unable to take part in the 10 km trek, cannot go home for an afternoon of soap operas. Second, for every five dollars raised, an entry goes into a draw for a special prize to be announced later. Third, the home room raising the most money, will be treated to a free pizza party. Last, but definitely not least, the walker with the most pledges, will receive a \$100 grand prize. How's that for motivation? What happens if it rains? Just pray that it doesn't, says Council Secretary Elizabeth Sled.
