MARKHAM PUBLIC NOTICE

TAKE NOTICE THAT:
 1. The Council of the Corporation of the Town of Markham intends to construct, as a local improvement under Section 12 of The Local Improvement Act, a sanitary sewer with manholes and service connections from the sewer to the property line and water service connections from an existing watermain to the property line on Springdale Street from approximately 116 metres west of Peter Street to the intersection of Peter Street and Springdale Street.
 (a) CONSTRUCTION OF SEWER WITH MANHOLES AND SERVICE CONNECTIONS FROM THE SEWER TO THE PROPERTY LINE
 The estimated cost is \$25,000.00. A frontage rate per metre of \$157.63 will be amortized over a twenty (20) year period at an interest rate of 14% to provide for an annual rate of \$23.00 per metre frontage per year.
 (b) WATER SERVICE CONNECTIONS FROM AN EXISTING WATERMAIN TO THE PROPERTY LINE
 The cost of individual water service connection from an existing watermain to the property line is \$900.00. Such water connection will be provided upon request received by the municipality from the owner. The sum of \$900.00 is to be paid in one lump sum.
 Please note that Section 12 of The Local Improvement Act provides that unless within one (1) month after the first publication of the Notice the majority of the owners, representing at least one half of the value of the lots that are liable to be specially assessed petition Council not to proceed with it, the work may be undertaken as a local improvement.
 Persons desiring to petition against the undertaking of the work must do so on or before the 26th day of November, 1984.
 DATED at the Town of Markham this 24th day of October, 1984.
