# Volleyball is No. 1

By Chris Garbutt  
 Of all sports offered at Stouffville Dist. Secondary School, the real attention-grabber is volleyball.

Recently, students paid a mere one dollar to see an exciting doubleheader. Hundreds of fans packed the gym. They screamed, they cheered and just to show some originality, performed their own version of "the wave" around the auditorium. It was an experiment that had to be seen to be believed.

Opening Contest  
 The opening contest saw several guys from Grade 12, calling themselves "Group Mentality", pitted against a team made up of Grade 13's and teachers. While fiercely competitive, the "Group" emerged victorious, 15-6 and 15-5.

Win Five Straight  
 The main event paired the Senior Spartans against Anderson High from Whitby. This proved a real treat for spectators. The Spartans rolled over their guests in all five games. On Friday, the Senior Spartans took on "Group Mentality" in a three-hour volleyball-athon.

Men Teachers Win  
 Also on Friday, the men teachers accepted a challenge from the Senior Girls' volleyball team. The female side in the "battle of the sexes" was determined to win, but the teachers prevailed, taking both contests. The men have no reason to gloat, however, since both games were close.

Decided By Shootout  
 The Senior Intra-Mural Soccer Tournament was held last week with both finals decided by shoot-outs. In the girls' tourney, a small but determined Grade 13 squad defeated 12G02. The team included Tanya Townend, Gillian Alderton, Angie Howes, Kim Wyndam and Luz Meyer. The boys' competition was taken by 12G02. This was their second championship. Team members include Andrew Alles, Brent Brown, Ross Maye, Tim McNeil, Eddie Roberts, Ben Wallis, Joe Risk, Marc Meyer and Ahmir Roza.

Career Day  
 Mr Johnston, Head of Guidance, has arranged a Career Day for tomorrow (Thursday). Representatives from close to 40 occupations will be present in the school. The sessions will be repeated, allowing students an opportunity to hear speakers of their choice.
