### "Girl Next Door"

Sixteen-year-old Stacey Copas, Sunset Boulevard, Stouffville, is a Grade 11 student at S.D.S.S. and loud in her praise of the Family Studies Course offered there. The instruction, she feels, will lead to a challenging career. Extra-curricular interests include intra-mural sports, track and field and swimming. On Saturdays, she works in the Mennonite booth at the Stouffville Sales Barn.

## Stacey supportive of Family Studies

By Jim Thomas

STOUFFVILLE — The Family Studies Program at Stouffville Dist. Secondary School has assisted 16-year-old Stacey Copas in choosing a career.

The Grade 11 Sunset Boulevard student says requirements of the course are extremely practical since they permit participants to receive on-the-job training in an on-site environment. Stacey is based at Dickson's Hill Public School and works with Grades 5 and 6 pupils, plus Grade 7 French.

"I hope to get into social work... something to do with children," Stacey says. She's loud in her praise of Mrs. Naylor, her Family Studies teacher.

So far, Stacey's been mainly an observer at Dickson's Hill. However, she hopes to conduct several lessons before the program ends in June.

Stacey had mixed feelings about moving to Stouffville from Scarborough three years ago. Now, she likes it so well, she has no desire to move back.

She still keeps in touch with close friends. Family members include a brother, Damien, three, and a sister, Erin, ten months. She considers her father "the greatest", mainly because they do so many things together, everything from shopping to hiking.

Stacey holds a bronze medallion in swimming; enjoys intra-mural sports and track and field. She hopes to make the cheerleading team.

Mrs. Croucher, she says, is the kind of Phys. Ed. teacher who challenges athletes, yet maintains a close association with students.

Travel-wise, Stacey's been to Florida and hopes some day to visit Texas. She enjoys the company of boyfriend David Chilvers—and his parents, describing them (and him) as "really nice."

Every Saturday, Stacey works in the Mennonite booth at the Stouffville Sales Barn, a job she's had since May. Her services are also in demand as a baby-sitter.
