**A Future for Angela ... A Future for the War Amps**  
And when there are no more War Amputees?

A question we are asked, and we have a very good answer. Angela Craig is a member of our Child Amputee Program and wears a special myo electric arm and hand the War Amps helped to provide. This kind of help, and the many programs we operate, will continue far into the future because when there are no longer War Amputees, we will become THE CANADIAN AMPUTEES FOUNDATION and will continue to offer children like Angela every hope for the brightest future.

Amputees helping amputees. Our legacy will live on
