

Adventure playground

STOUFFVILLE — The Moms and Tots Club of Stouffville are undertaking an ambitious project.

They're planning an Adventure Playground at a location in the Stouffville Memorial Park. They hope to have it installed by next spring. All equipment will be purchased through Children's Playground Inc., of Unionville.

To help cover a portion of the cost, a draw is planned for Saturday, (Santa Claus Parade Day), Dec. 1. Lucky ticket-holders will receive the following prizes: A 25-pound turkey from the I.G.A.; a \$15 food voucher from the A & P; a glass turkey, courtesy Jordan Wines and a poinsettia from Bunny's Flowers.

Steve Upton of the Stouffville Kinsmen Club will make the draws.

For additional information and tickets, contact Jane Baxter at 640-6224 or Maureen Redshaw at 640-1486.

Rec. Centre Fund receives \$4,500 boost

While it may not be good golfing weather, the climate was right on Friday for the presentation of a \$4,500 cheque from the Whitchurch-Stouffville Chamber of Commerce Golf Tourna-

ment to the Town Rec. Centre Fund. Chamber treasurer Doug Waddell, (right), made the donation to Casey Van Maris of the Rec. Centre Co-ordinating Committee.

High News Athletes superb

By Chris Garbutt
In the words of Principal John Nikifork, Stouffville Dist. Secondary School has become a powerhouse in sports. And it's true. For a relatively small school, we have attained an outstanding record so far this year.

First, it was the girls' golf team. They brought honor to S.D.S.S. by placing first in the Georgian Bay Championships.

Then our cross-country team won the York Regional's and placed second in the Georgian Bay's. The Junior Girls did exceptionally well, making a strong showing in the Ontario Finals.

And of course, there's volleyball. Last week, the Spartans made their mark when both the Midgets and the Seniors took first place in York Region. Unfortunately, the Juniors lost out, but all team members put forth a solid effort.

Hold Pep Rally
To celebrate their successes, Stouffville High held a first-ever Pep Rally, Nov. 7. Several distinguished speakers were on hand including Student Council Prez Kelly Cowan and Phys. Ed. Instructor Dave Connell. However, the highlight of the event was the introduction of the teams.

Mrs. Croucher, coach of the Juniors, praised members for their dedication and hard work. Mr. Fletcher, proud coach of the Midgets, provided a lengthy introductory address, mentioning the qualities of each player. Senior coach, Mr. Rehill, congratulated the players on one of Stouffville's most successful seasons ever. The Seniors have won the York Regional Championship in fourteen of the last fifteen years.

The rally also marked the first public appearance of the S.D.S.S. cheerleaders.

Georgian Bay Title
The event obviously made an impression on the Senior volleyballers. They proceeded to win the Georgian Bay Title, Thursday. While there were definitely some tense moments in the final, at the end, the Spartans prevailed with scores of 11-15; 16-14 and 16-14. The Spartans now advance to the All-Ontario Championships at Hamilton, Friday and Saturday.

Commencement Exercises
Commencement Exercises were held Friday. Graduates and academic award-winners were honored. Mr. Marshall provided a humorous and thought-provoking address to the grads. Scott Sutherland was the class valedictorian.

Career Day
On Thursday, the Guidance Department hosted a successful Career Day, along with the Student Guidance Information System and University Day. This is one of the many services provided by Mr. Johnston and the Guidance Staff.
