An all girl affair

Council member joins in tourney fun

Councillor Margot Marshall was invited to drop the puck in Sunday's girls' hockey inter-club tourney at the arena. Her presence proved lucky, the Intermediate squad took an easy 6-1 win over Peterborough. Stouffville team captain Julie Thompson (right) can smile prettily even through a mask.

Girls' tourney results

The girls' hockey league hosted out-of-town teams for a four game tournament on Sunday night. The tourney was in lieu of normal league play.

Stouffville's A & M Records Intermediate girls took on an intermediate 'A' team from Scarborough, coming through with an easy 5-1 win on goals from Julie Thompson (3), Michelle Coppins and Chris Sersen. Assists went to Shawns Blake (2), Coppins, Cathy Carr and Alison Lowery.

In other games Stouffville's Farmer Jacks Bantams hosted Orangeville, but were blanked 3-0. Considering the Stouffville squad played six rookies the score was kept within reason.

The Protective Rustproofing Midgets came close to toppling a top calibre 'A' team from Scarborough, getting edged 4-3 in an exciting game. Goals went to Laurie Taylor (2) and Vicki Smith. Taylor also got an assist.

The Senior Legion-Altona Auto Body team went down to defeat against a strong York University squad 6-1, Stouffville's lone goal coming from Lisa Blanchard on Gloria Mintz' assist.

Stouffville teams did quite well, considering it was the first time they have played together. Normally they play in separate house league teams and play rep hockey only once a month.

Win door prize

Gary and Linda Blacktop of Rupert Street came up winners at the recent Buttermaker ball clubs' annual dance.

The lucky pair won the door prize, dinner-theatre tickets for two at the Deer Park Inn, compliments of owner Michael Farrell.

All Ontario cross country

The junior girls' cross-country team from Stouffville Dist. Secondary School completed a successful season Saturday at the Ontario finals.

The girls combined to place twenty-eighth in team standings with 602 total points.

Kathy Goldman was the first Stouffville runner across the finish line (in 137th place), followed by Linda Hachey (145th), Liz Sled (159th), Jill Keith (161st), and Shelley Whittaker (187th).

Milton won the team championship. A field of 230 high school athletes ran in the junior girls' event during the Ontario Federation of Schools Athletic Association (OFSAA) championships.

The Stouffville runners are already looking forward to next season when they hope to earn a return trip to the OFSSA finals.

The entire high school cross-country team enjoyed a competitive season and future prospects look bright in both boys and girls' divisions.
