

Fun soccer at H.S.

By Chris Garbutt
It wasn't exactly the Grey Cup, or even the World Cup, but soccer returned to Stouffville Dist. Secondary School last week.
Sure, it was indoors and, yes, a 'nerf' soccer ball was used, but the action was fast and furious.
At noon, Friday, the teams took to the floor. At one end, a confident group of Grade 12's, calling themselves Twelve United; at the other end, a rough and ready

Teachers' squad awaited the kickoff. From the opening whistle, it was obvious this would be a tough, physical game.
Teachers Score First.
The teachers quickly showed they meant business when Mr Connell put the first point on the board at the seven minute mark. Peter Mittermueller quickly scored the equalizer, and the score remained tied at half time.
In the second half, there were close calls at either end, including a blocked goal

kick: two shots hitting the crossbar and a breakaway stopped because of a dropped pair of glasses. United finally broke the tie when Andrew Glazin scored the go-ahead goal and the students held on to eke out a 2-1 victory.
Team Rosters
Members of the winning squad are: Mark McGinn, Kevin Ferris, Peter Mittermueller, Andrew Alles, Chris Garbutt, John Stetkopolous, Ross Maye, Simon Gallop, Andrew Glazin and goalie Andrew Beckett.
The Terrific Teachers included: Mr Eldridge, the daring goaltender; Mr Olito with his hard-nosed play in the corners; Mr Currie and Mr Scheel with their ability on the wings; Mr Hodgson, the epitome of finesse; and Mr Connell, Mr Fletcher and Mr Nikolovski, the hard-hitting offensive line.

Lunchtime Volleyball
Last Monday, the boys' Lunchtime Volleyball Finals, pitted the heavily favored Walid's Warriors against Dave's Divers. The Warriors provided surprisingly stiff competition but, in the end, the Divers prevailed, 15-12 and 15-11.
Congratulations to the champs-Dave Darling, Derek Hamilton, Steve Head, Jason Stronach, Dale Wright, Mr Nikolovski, Mr Levay and Mr Roberts.

Extend Congratulations
Congratulations are in order to the Girls' Sr. Basketball Team following a 43-40 semi-final win over Huron Heights, Newmarket. And to the Senior Boys' Volleyball Team for their fine showing at the All-Ontario Championships in Hamilton on the weekend.

Teacher says thanks

Dear Mr Thomas:
Thank you very much for serving as a judge in this year's Elementary Teachers' Association Public Speaking Contest. We greatly appreciate your donation of time and effort on behalf of the students of York Region.
We hope you found the experience a positive one and that we may call on you again in 1985.
Sincerely,
Deo Singh
Chairperson,
Student Activities Committee

Judge impressed

Courtesy was appreciated

John Hincks, principal of Orchard Park School, Stouffville, is in receipt of a letter from David Payne, vice-principal of German Mills School, Thornhill, a copy of which was sent to The Tribune. It reads as follows:
Dear Mr Hincks:
I'm sending a brief note to you and your staff responsible for organizing the Area 2 Junior Public Speaking Finals at Orchard Park and especially to the students who helped make the day so impressive. As a judge, I was courteous-

ly-greeted on my arrival and made to feel welcome. The contestants, I'm sure, were made to feel equally important. Finally, I must also mention how pleased I was with the quality of attention given; by the listening audience to each of the speakers.
Your school is to be commended for making the day a significant one for all involved.

Sincerely,
David Payne,
Vice-Principal,
German Mills

Sixteen-year-old Marcy Pyke, Bethesda Sideroad, R.R. 1, Stouffville, is a Grade 11 student at S.D.S.S. Interests include cross-country skiing, swimming and skating. She plays the flute in the Sr. Band and belongs to the Camera Club. Following graduation, Marcy hopes to take a course related to Law.
-Jim Thomas

"Girl Next Door"

Leads full life

By Jim Thomas
WHITCHURCH — When 16-year-old Marcy Pyke, Bethesda Sideroad, R.R. 1, Stouffville, completes high school and goes on to university or college, she can look back on her teen years with much satisfaction.
For she's involved herself in all the beneficial things available, and enjoyed each to the full.
Marcy's "girl next door" was eight years ago that Marcy, her brother, Glen, now 17, and her parents, Craig and Pat Pyke, moved from Quebec to Ontario and acquired a beautiful three-acre property near Kennedy Road. Marcy likes it here, close to town, not far from the city, yet with the privacy of the country. She'll like it even more when she obtains her driver's licence. She now has her 365.
Marcy, a Grade 11 student at S.D.S.S., appreciates the size of the school and the closeness of the teachers. Law, German and French are favorite subjects. She plays the flute in the Senior Band. She also belongs to the Camera Club.
Marcy holds a County Honors diplo-

ma from the Bethesda 4-H Homemaking Club.
While her home church is Christ Anglican, she enjoys the fellowship of the Youth Group at Stouffville Missionary. She's also a member of the Lemonville C.G.I.T.
Two years ago, Marcy participated in a student exchange program that allowed her to spend two weeks in Paris, France. Her knowledge of the language improved greatly, she says. The hoped-for destination of her next overseas trip is Japan.
Marcy's two favorite sports are swimming and skating. With a large pond on their property, she doesn't have far to go. Cross-country ski trails are also nearby. When she's not helping out at her father's office in Oshawa, Marcy spends as much time during the summer as possible at the family cottage in Algonquin Park.
Marcy's a cheerful girl with an outgoing personality that's won her a host of friends. Because of these friendships, moving would be difficult. "But I guess I'd make new friends," she concluded.
