

NO MORE FLAT TIRES

Mr Tuff-Tire Sealant Protects you and your family from tread area tire punctures up to 1/4" in diameter!

**PUNCTURE PREVENTION
ADDS SAFETY FOR YOU
AND YOUR FAMILY!**

Thousands of tire-related accidents occur every year — accidents caused by tire puncture and even by slow rim leaks — leaks that could be prevented by using Mr. Tuff-Tire sealant in your tires. Mr. Tuff-Tire guarantees to seal and prevent tread area punctures up to 1/4" in diameter for the tread life of your tire.

WHEEL BALANCE

Mr. Tuff-Tire does not affect wheel balance. It maintains proper tire inflation to reduce heat build up — one of the major causes of tire blow-out.

**NO-NONSENSE,
MONEY-BACK GUARANTEE**

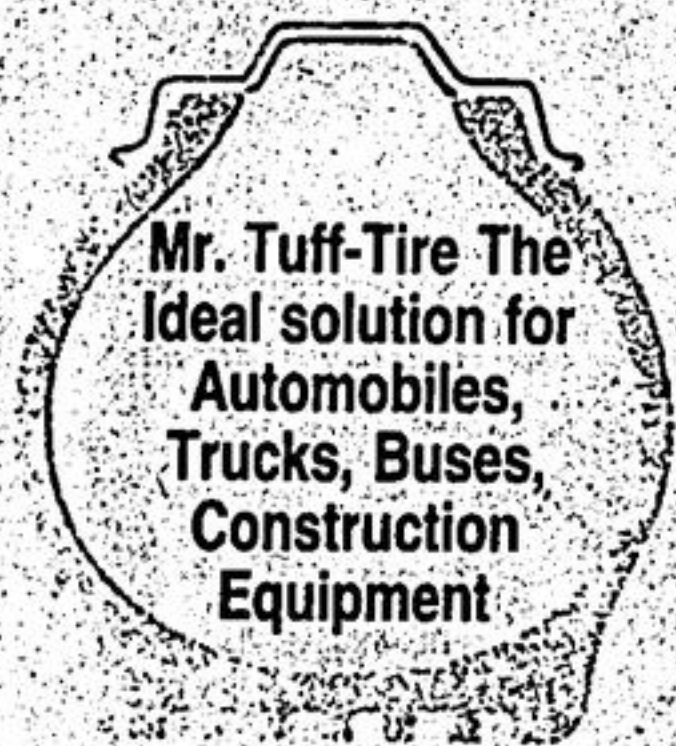

You'll get a written, money-back guarantee that lasts for the tread life of your tires when Mr. Tuff-Tire is inserted into your tires by one of our Tire Safety Specialists.
