ITS RIDE WILL REALLY GRAB YOU. AND SO CAN SOMEONE ELSE.

POLARIS SS  
**\$3299.00**

The SS features a lightning-quick 440cc engine with oil injection, a rugged clutch, an adjustable rear suspension and an extra set of suspension wheels. So it can dish out all the fun you can handle. And all the fun a friend can take. The SS also features a new extra long stretched seat that fits over a longer track for true two-up riding and deep snow tracking.

POLARIS  
The spirit of the 20th. For Thirty Years.
