

Old business at new location

To open this Thursday

STOUFFVILLE — It was eleven years ago that Gerry Heikens opened a fish and chip restaurant and take-out in Stouffville. The location was the A & P Plaza.

It wasn't long before Mr Heikens had established a reputation for both fine food and friendly service. His business grew.

When the future of this particular store seemed unsure, Gerry approached Graydon Card of Card's Hardware concerning accommodation in an area that included one other shop, Bruce County Pine. Mr Card agreed. This week, Stouffville's newest Fish-N-Chips and Seafood service becomes a reality. It opens Thursday, (to-morrow).

Mr Heikens is pleased with his new surroundings. He's hopeful patrons will be also. The made-to-order facility contains 1,260 square feet with accommodation for 40 customers. The interior decor was completed by Val Stapley, Main Street West, Stouffville. Hours, Monday through Saturday are 10 a.m. to 9 p.m.

Stouffville Fish-N-Chips and Seafood is a "family business". Mr Heikens says with wife Frances, daughter Teresa and sons, John, Gerald and Ken all willing to lend a hand. Other employees, both full and part-time are Anne McGrath, Susan Bibby, Melony Minz and Neil Thomas.

Stouffville Fish-N-Chips and Seafood, owned and operated by Gerry Heikens of Stouffville, has moved from the A & P Plaza to a site adjacent to Card's Hardware and Bruce County Pine. The restaurant and take-out has seating accommodation for 40 people. It opens Thursday, (to-morrow).
