

Arthur David Hewitt

Respected by friends

Arthur David Hewitt, a resident at R.R. 1, Unionville and well-known in Kincardine-area communities, passed away at Sunnybrook Medical Centre, Toronto, Dec. 4, following a short illness.

The son of Albert E. Hewitt and the late Mabel (Stringer) Hewitt of Kincardine, he is survived by his wife Diane; son David, Toronto; daughters Gwendyth of Ottawa and Gillian, Unionville; and a brother John of Willowdale.

Born at Kincardine in 1936, Arthur attended Millarton Public School and Kincardine District High School. Following graduation from Ontario Agricultural College of the University of Toronto in 1958, he served for 26 years in various locations and capacities with Imperial Oil Limited of Toronto, including a period in Edmonton from 1972 to 1976.

He received a Master's degree in business administration from York University in 1970.

Arthur maintained his early interest in agriculture and was actively involved in operating the family farm at Millarton until his untimely death. He was active in the affairs of his church and recently completed a term as Clerk of Session.

Funeral services, held Dec. 7, at Brown's Corners United Church and at the MacKenzie-McCreath Funeral Home, Kincardine, were attended by many friends and neighbors. Rev. Ainley Croft officiated.

Pall-bearers were George Arnold, Allan Grunder, Lloyd Clark, David Snyder, Gerry Poffenroth and Harvey Brown. Interment was in Kincardine Cemetery.

More bed care

YORK REGION — Thirty-four additional acute care beds have been approved for York Central Hospital, Richmond Hill. These will be available Jan. 1.

The plan was announced this week by Health Minister

Keith Norton and York Centre M.P.P., Don Cousens.

The decision was prompted by the high rate of growth in the area, Mr Norton said.

The additional beds can be accommodated within existing space, Mr Norton concluded.

Home Support plans talent showcase

By Win Napier

Don't say "senior", say "superperson". The project committee of Home Support Services has discovered this to be a more appropriate name for the "middle-aged and up" group in our community.

Under the chairmanship of Clara Stout, the committee has arranged for a showcase of talent, an event somewhat unique in Stouffville's

history, to be held Monday, Jan. 14 beginning at 1 p.m., in the Silver Jubilee Club.

Home Support Services has been of the opinion for quite some time that many of the less publicly active members of our society have, in fact, gone underground and are creating in secret, a host of treasures for posterity, precious in their originality, beauty and uniqueness.

Using the age-old mixture of charm and per-

suasion, the committee has committed many of these knowledgeable, talented persons to exhibit and demonstrate some of their unique efforts, beginning in January and continuing on in response to public demand, probably on a weekly basis.

To date, the committee has rounded up truly cameo exhibits such as leatherwork, rug-sculpturing, woodworking and wood-finishing.

May each moment glisten
with holiday cheer and
winter warmth sparkle the
season. We're so happy to
thank you one and all.

SAME FRIENDLY FACES

"At Standard Trust, we've always felt a real partnership with our customers. Whatever type of account or investment you place with us, whatever your age, I like to think that even in these days of computerization, we provide something more — the personal touch in managing finances."

"You see, Standard Trust has never forgotten its rural roots. While some institutions talk about personal service, we're providing it. Let me give you some examples. Our savings-chequing accounts feature a personal passbook record, updated by a teller on-the-spot. With long or short-term investments, your certificate is prepared immediately — and you get a friendly phone call prior to maturity. No form letters in the mail. Or our RRSP Program. The RRSP hotline handles your investment over the phone — no need for a special trip to the branch. And when you do come in, you get your tax receipt right away — no frustrating wait to prepare your taxes."

"These are examples of the true personal service Standard Trust customers have come to expect — beyond the high rates of return all Standard Trust accounts and investments historically provide."

"And now, we have moved to a larger location. In addition to being able to better serve customers in an expanded branch, we have new services and extended hours for customer convenience."

NEW DAILY INTEREST ACCOUNT

Along with the Standard Trust One-Account, we now have an exciting new Daily Interest Saving/Chequing Account — where you can earn up to 10 1/4% on all your money. And allows us to better serve our customers and friends. Come and see us. By the way, the phone's the same at 294-6865.

OPEN A NEW ACCOUNT AND RECEIVE A FREE BLANKET

We want to say "thank you" from our new location. Simply open a new savings/chequing account with \$100 or more and we will give you a handsome Esmond Monterey blanket — absolutely free. Take it home with you right from the branch.

Watch for our brochure, or visit the branch for details. It's our way of wrapping up our partnership and giving you a warm feeling — all over.

THE FINAL WORD FROM ALAN

"In short, not only does Standard Trust show more interest on your account, we show more interest in you."

"We have been serving Markham for 11 years, and our expansion demonstrates our commitment to the community. And believe me, there's a lot more separating financial institutions than the street number."

Come and find out. Take advantage of our new hours and stop into the branch this week. Review our added services and open a new Daily Interest Saving/Chequing Account. And don't forget our \$25 transfer bonus and our free blanket offer.

I look forward to seeing you here.
