

Trappers Ball at Claremont Tickets go on sale

By Sandra Redshaw
CLAREMONT
Tickets for the upcoming Trappers Ball will be on sale tonight (Jan. 9) from 7 to 9 p.m. at the Community Hall. Due to a limited quantity, only two tickets are available to each person. Cost is \$10 each. The ball will be held at the Legion Hall Saturday, Jan. 26, in conjunction with the

second annual Claremont Winter Carnival. For information regarding dance tickets contact Glenn Yoshida at 649-3140 after 6 p.m. The Winter Carnival Committee will meet tonight (Jan. 9) at 8 p.m. in the Community Hall. The U.C.W. will gather at the home of Bernice Ward at 8 p.m. on Monday

Jan. 14. A bible study meeting will be held at Bernice Ward's residence on Thursday, Jan. 10, from 10 to 11:30 a.m. Andy and Marina Rogers and Linda Carder were welcomed into Claremont United Church congregation by certificate of transfer and profession of faith Sunday.

The Sacrament of Baptism will take place on Sunday, Jan. 13. Contact Rev. Doug Vary at 649-2400 to arrange a pre-baptismal interview. A number of local people attended the Uxbridge Bruin-Whitby Lawmen benefit hockey game played Saturday in Uxbridge. It was held in aid of Matthew Geer, an area

youth who recently underwent a bone marrow transplant. It was an exciting contest with Whitby narrowly defeating the Bruins 7-6 in the final minutes. Congratulations to Lynn Carruthers and Mike McConkey who were married Dec. 22 at Scarborough. The couple will reside at Testa Villa Apartments in Stouffville.

THE KINSMEN CLUB OF STOUFFVILLE

In conjunction with the members of your community listed below would like to take this opportunity to thank all of those who participated in the 1984 Santa Claus Parade to make it a success and to wish each and everyone a Very Happy and Prosperous New Year.

Enjoy church cantata

By Elsie Boland
GOODWOOD
Goodwood United Church held a cantata on Christmas Eve. The choir, under the direction of Bob Willoughby, performed beautifully. The concert, performed in front of a capacity audience, was the result of weeks of rehearsals. It was an enjoyable evening, something we should have more often.

The potluck dinner and Christmas concert was also a big success. The children performed well with the aid of creative hand-made costumes.

The choir was back in fine form on Sunday. They presented the lovely anthem 'Hallelujah' in several parts. I say to the Goodwood United Church choir keep getting bigger and better in every way!

Sympathy of the community is extended to Elva Symes on the death of her grandson, Jeffrey Lysohirko, Dec. 18, at Mississauga. Jeffrey, 19, the son of Helen and Kenneth Lysohirko, was a victim of muscular dystrophy. He had been confined to a wheelchair since birth.

paid a Christmas day visit to son Terry Hockley and wife Karen at Prince Albert, Ont. Harold and Marlene Bell and family enjoyed a Christmas dinner at the home of Mr and Mrs Robert Taylor, Isle Lake. The Bells hosted a large New Years gathering at their Goodwood home, Jan. 1.

good to me this year! The Goodwood U.C.W. will meet tonight (Jan. 9) at Edith Ann McManis' residence. All ladies are welcome. The Women's Institute gathered at Rita Parratt's home on Monday.

Reviewing the past year, we have to admit that things have been pretty good. We've experienced our ups and downs, but have enjoyed a successful 1984. So keep a stiff

upper lip during 1985. I wish you all a happy, healthy and prosperous new year. Holiday visitors Art and Rita Parratt, Goodwood, enjoyed a Christmas visit with daughter Rita and husband Harry Williams at Picton, Dec. 25. The Parratts celebrated the arrival of the new year at the home of Mr and Mrs Richard Huggins, also of Goodwood.

Goodwood residents Carl and Grace Hockley

Dean and Carol Boland, Stouffville, entertained Elsie Boland and family of Goodwood, Dec. 25.

THANKS

To all our many friends who remembered us during the holiday season, your visits, music, songs and gifts were much appreciated. Our sincere thanks and good wishes for a Happy and Prosperous New Year. The residents, staff and management

GREEN GABLES MANOR

YOUR WATER! ... IS THERE MORE THERE THAN MEETS THE EYE?

PURE, SPARKLING WATER It refreshes and sustains us. Second only to our need for oxygen, water is essential for life. Your local water company treats the water it delivers to your home. It makes sure any bacteria and organisms that could be a threat to the public health are removed. That's the law. But what about the contaminants, such as pesticides, herbicides, and other chemical compounds used before today's laws were enacted? From World War II through the early 1970s, thousands of chemicals were sprayed on crops and dumped into our lakes and rivers. The grim truth is that even with today's laws no one knows if the damage of the previous decades can be undone for generations to come!

• IS THERE ANYTHING YOU CAN DO?

Our water quality is improving. But is it happening fast enough — can it improve fast enough — to meet our satisfaction?

Now there is something that you, as an individual, can do to significantly improve the quality of your water. The answer is pure and simple.

• THE WATER TREATMENT SYSTEM! • PRESSED CARBON BLOCK FILTER!

• LARGE CAPACITY
The average family can expect each filter cartridge to last about one year. Of course, it depends upon how much water you actually use. It also depends upon the quality of your water. The more contaminants in the water, the more frequently you'll need to change your filter cartridge.

• REPLACEABLE FILTER CARTRIDGE
You don't have to send your entire unit back to the factory for a new filter. Simply remove the filter cartridge and insert a new one. The high-impact housing of the Water Treatment System will last for years.

• THE BEST SERVICE
We want you to get the most satisfactory use from your System. So we offer service you won't find anywhere else. If you have any problems installing or using your System, simply call the Hot Line — the number is listed in your Owner's Manual. It's a toll-free call and you'll get prompt attention. In addition, your installation date will be listed on a computer. So when it's almost time to change your filter, you'll get a reminder from us.

• THE SATISFACTION GUARANTEE
With a solid money-back guarantee, we assure your satisfaction. If, after a reasonable time, you decide you are not satisfied with your Water Treatment System, you are entitled to a replacement, a full refund, or full credit.

Many of us have seen what pollution does to a lake or river. However, most contamination is not so apparent. In fact, most times you can't tell if the water you depend on is contaminated. Once a groundwater supply is contaminated, it can take generations to clean it up. That's not immediate enough when the public's health is threatened. And though government, industry, and municipalities are doing a better job, many of us want the best possible water now — not sometime off in the future. It's up to each of us to take responsibility for the quality of our water.
