**Kelly spreads carnation spirit**  
 It was Valentine's Day, Carnation Day and Red and White Day, all rolled up in one at Stouffville High, Feb. 14. Many of the students and some of the teachers caught the spirit of the occasion. Here, Kelly Cowan, President of the S.D.S.S. Students' Council, pins a carnation on staff teacher, Ron Eldridge.

**At Stouffville High**  
**Students battle February blahs**

By Chris Garbutt  
 There was neither sand nor surf at Stouffville Dist. Secondary School, and the sun was having trouble shining, but that didn't stop our school from enjoying all the activities of summer.  
 To help everyone beat the February blahs, and remind each of us that warm weather's close at hand, the Athletic Council held its annual and ever-popular beach ball volleyball tournament.  
 This game is similar to a regular volleyball game in that they both use nets and both are played in the gym. However, here the similarity ends. There are no boundaries on the court, the ball isn't dead until it touches the floor; four extra players are allowed on the court (a total of ten); the ball is about one-tenth the regulation weight and is very unpredictable. All these factors add up to a very interesting game requiring very special skills.  
 In tournament play, experience seemed to be the key to winning. The junior tournament saw two teams from the same Grade 10 class pitted against each other in the final with the 10G01 "B" team capturing the championship. In the senior competition, it was a battle of the Grade 13's. Their age and experience proved too much for the younger, less experienced Grade 11 and 12 classes. This, however, was no excuse for the highly-rated teacher teams.  
 In the senior final, it was all Grade 13. The "B" side staged an astonishing comeback to defeat the "A" squad 4-1, 3-0, 1-1. The next day, students of S.D.S.S. were treated to a sports extravaganza featuring boys' basketball and girls' volleyball, junior and senior. The opponent in all four games was Woodbridge High.  
 In the first game, the senior boys basketball team lost an exciting 63-52 match to the visitors. Mark Morrow led the point scorers with sixteen.  
 The senior girls' volleyball match was hard-fought. Unfortunately, our side was unable to hold their one-game advantage, losing two games to one. The junior boys' basketball squad also played well but lost out to the visiting team.  
 On the brighter side, our great junior girls' volleyballers saved the day, crushing Woodbridge 15-4, 15-3 and 15-3. The success of this club can be attributed to their great spirit and fine all-round play.  
 On Friday, our school continued in the summer spirit. Students showed up, carrying cameras and wearing sun hats and Hawaiian shirts. It was Tourist Day.  
 To make a great week even greater, the Video Dance was held Friday night. This was undoubtedly the best attended (and also the loudest) dance of the year.  
 Finally, circle Feb. 27, 28 and March 1 on your calendar. It's Variety Show '85, an event no one will want to miss.
