**IN THE MATTER OF THE ONTARIO HERITAGE ACT, R.S.O. 1980, CHAPTER 337**

**AND IN THE MATTER OF THE LAND AND PREMISES KNOWN MUNICIPALLY AS THE SANDER'S BLOCK, 29-33 MAIN STREET WEST, LOT 10, PLAN 70, STOUFFVILLE, IN THE TOWN OF WHITCHURCH-STOUFFVILLE IN THE PROVINCE OF ONTARIO.**

**NOTICE OF INTENTION TO DESIGNATE**

TAKE NOTICE THAT the Council of the Corporation of the Town of Whitchurch-Stouffville on the 12th day of February, 1985 passed a motion of intention to designate the property, including lands and buildings, known municipally as Sander's Block, 29-33 Main Street West, Lot 10, Plan 70, Stouffville, as a property of architectural and/or historic interest or value under Part IV of The Ontario Heritage Act, R.S.O. 1980, Chapter 337. Short Statement of the reasons for the proposed designation:

The Sander's Block, located at 29-33 Main Street West, Stouffville, is deserving of designation and renovation for historical and architectural reasons. The original structure was built in 1877, at the time of the incorporation of the Village of Stouffville. Its original owner and builder, Mr. William B. Sanders, made a significant contribution to the early commercial, social and political development of Stouffville. The additions to the original structure, which were completed in the 1890s, provided the elegant facade as it appears today. The building's location on the sunny side of the street and its imposing front entrance and roof tower make it the most important historic commercial building on the Main Street of Stouffville. It is one of the oldest and last remaining architecturally significant two storey commercial brick buildings in the centre of the Old Village of Stouffville.

NOTICE OF OBJECTION to the designation may be served on the Clerk within thirty (30) days of the 20th day of February, 1985.

DATED at the Town of Whitchurch-Stouffville this 20th day of February, 1985.

Patricia Muir, Clerk.
