## High News Host band from Olean

By Chris Garbutt

Stouffville Dist. Secondary School has many students with exceptional musical talents.

Proof of this comes with listening to the band and choir perform.

The choir has been active all year and recently received much acclaim for performances in the Variety Show.

The band has been busy during assemblies, visiting the public schools in the area and last month, received a mark of 82% at the Kiwanis Festival.

To continue this high standard, and learn more about how another group sounds, the band and choir have arranged an exchange with a high school in Olean, New York.

This is the first exchange trip for the choir. However, the band has participated in exchanges on several occasions. Last year, they travelled to Parry Sound, a visit that was thoroughly enjoyed and very successful.

Olean is a city of about 20,000, (yes, it's a city), south of Buffalo, near the Pennsylvania border. Much like Stouffville, it's a growing industrial town set in a rural area. It's a very popular ski resort.

The school in Olean is larger than S.D.S.S., but the band is about the same size as ours. There are 78 members in the combined choir and band.

Our Olean guests will arrive here Monday, (March 25), and leave March 27. During this time, they will stay with members of our band and choir and, in so doing, really get to know Stouffville.

Many activities are planned. A highlight of the visit will be a concert, (open to the public), Tuesday, March 26. This will include four groups, something special to see and hear. In addition, the two bands will join forces on several pieces.

Speaking of music, congratulations and good luck to those students representing S.D.S.S. in the York Region All-Star Band. They are Shannon Clarke, (flute); Denise Davidge, (alto clarinet); Gary McGillicray, (trumpet) and Geoff Tiller,
