Group seeking funds

The Parent Teacher Liaison Group (PTLG) of William Berczy Public School is looking to raise money for the purchase integrated playground equipment for use by all children, including the handicapped. As funding is no longer available from both the provincial or federal governments, due to budget cutbacks, the PTLG is asking residents or companies in the area to donate funds towards this worthwhile venture. All donators will have their names placed on a permanent plaque which will be displayed at the school. Anyone wishing to help out or would like more information are asked to contact Carolyn Noon at 477-2475.

Tonight at 7:30 p.m., the PTLG will be holding their second annual Spring/Summer Fashion Show at the school. Tickets are $6 each and are available at the door.

Heritage Haps

The Heritage Centre will be conducting its annual "Income Tax Clinic for Seniors" on Wednesday evenings - March 27, April 10 and 24, from 7:30 to 9:30 p.m. Maximum income limits for this free service are: single person - $12,000 and $17,000 per couple.

Available to any senior, the clinic is by appointment only and is made possible through the Institute of Chartered Accountants of Ontario and Brian Anderson. To arrange an appointment, please call the Centre at 477-4944.

Thanks to the Unionville Lions Club, the Centre no longer has to borrow cameras to record their events. The club recently donated a Canon T70 35 mm camera, complete with a flash unit.

Markham Hydro and workers reach pact

Following almost five months of negotiations, Markham Hydro has reached an agreement with its outside workers on a three-year contract.

"Negotiations went on for quite a while but cooler heads prevailed and we did reach an agreement," said Bob Dyer of Markham Hydro.

Mr. Dyer said the dispute involved about 50 union members of the International Brotherhood of Electrical Workers (IBEW).

The agreement was ratified March 18 and provides a five per cent retroactive wage increase effective July 1, 1984, a 3.7 per cent increase July 1, 1985, and a further 3.6 per cent increase on July 1, 1986.

"Striking was kept out of everyone's minds," said union representative Jerry Tripp. "It was never even mentioned."

He also said union members were awarded a signing bonus after an agreement was reached on the three-year pact.
