## Many friends

MUSS LAKE Service was held from the O'Neill Funeral Home, Stouffville, Wednesday, for Mrs. George Windsor, 73, of Lakeshore Road, Musselman's Lake, following her sudden passing in York County Hospital, Newmarket. She was 73.

Mrs. Windsor suffered a stroke March 23 and never recovered. She had enjoyed good health up until that time. It was only in November that she and her husband celebrated their 50th wedding anniversary.

Mrs. Windsor, the former Jean Marion Mairs, was born in Uxbridge, daughter of Eli and Ada Mairs. Following her marriage, she and her husband moved into a house he built on the north Lake Road. They had lived there since that time.

Mrs. Windsor was a warm, friendly person whose main interests were her family and her garden. She was a member in the congregation of Ballantrae United Church.

Surviving, besides her husband, are a son and daughter-in-law, Bill and Evelyn Windsor of Newmarket; three grandchildren, Bill Jr., Karen and Kenny; four brothers, Ivan of Lindsay; Norm of Nestleton; Gord of Spruce Grove, Alberta; Ted of Glen Arm and two sisters, Bernice Sellers, Collingwood and Joyce Virtue of Bowmanville.

The service, Wednesday, was conducted by Rev. Wayne Reed of Ballantrae United Church. It was largely attended, showing the respect held for Mrs. Windsor by a large circle of friends. Spring interment will be made at Churchill Cemetery.

# "Pay fair share"

Dear Jim:

In answer to the rather vitriolic letter written by Phyllis Craine in The Tribune of March 27, concerning the York Region Board of Education's decision on French Immersion at Dickson's Hill Public School, I wish to say several things.

I do not intend to debate the pros and cons of the Board's decision. I am sure, in their wisdom, they did what was best. Rather, I take exception to the remarks concerning Mrs. Hilton, (who I do not know), and, incidentally, the residents of the Town of Whitchurch-Stouffville. Her attack is unwarranted, insulting and uncalled for. She gives the impression that we, in Whitchurch-Stouffville, are a bunch of "poor country cousins", "gouging everything we can from our neighbors to the south." Nothing could be further from the truth.

Our family lived for many years in the Town of Markham and, yes, we too, as parents, "did battle" with the Board of Education when they wanted to close down Marklee Public School. (and we won!) We

moved here in 1980 because we wished to live in a community where we believed the quality of life would be better. This we have found in Whitchurch-Stouffville.

Perhaps we do not have the huge tax base as does Markham, but we have many things going for us—fresh air, peace and quiet, beautiful forests, a viable farming community, excellent schools and shops and soon, a new recreation complex.

We pay our fair share in taxes to York Region and we do not need to feel beholden to anyone.

Does living in, (what was once), the most affluent area in Canada, give one the right to preferential treatment as suggested by Mrs. Craine? Or the right to "lord it over those whom she feels are less fortunate?" I think not!

Finally, the writer may not realize it, but her letter smacks of sour grapes and is better than you attitude! is to be pitied.

Sincerely,  
Marian Dissette,  
R.R. 4, Stouffville
