Editor's Mail Churches not immune to theft

Dear Editor: What is this world, (this country), coming to? It would appear that no even our churches are immune to theft.

It's a shocking thing when an individual will stoop so low as to walk into a sanctuary (Springvale Baptist), and steal the offering from the Sunday School.

If the thief had been in dire need, there might have been some excuse. This person, (by his dress), appeared quite well-to-do.

What then would prompt him to commit such a low-down act?

There are many strange people walking our streets, and driving our roads today.

Sincerely,
Darlene Hutton,
R.R. 4, Stouffville
