# Successful campaign

To The Editor  
 I wish to express my thanks to your newspaper for the publicity given the Spring UNICEF Campaign.  
 I wish also to thank the Public Library staff for their assistance in making the campaign so successful. Because of its success, the UNICEF Four Step Program (growth charts, oral rehydration, breastfeeding and immunization) will be provided many underprivileged children in other lands.  
 In November, we hope to undertake a fall campaign that includes the sale of Christmas cards. I look forward to The Tribune's support in this endeavor also.

Sincerely,  
 Bonnie Heidema,  
 UNICEF volunteer,  
 R.R. 2, Stouffville

# Reporter wins praise

To The Editor  
 I wish to publicly compliment reporter Chris Shanahan for the outstanding professional job he did on the feature story about Gingerbread Gallery published in The Tribune issue of March 20.  
 Walter Campbell, the artist I represent,

was also impressed with Chris's accuracy as a reporter and talent as a writer and photographer.  
 The Uxbridge community is fortunate to have a skillful journalist like Chris to cover news of this area for your interesting newspaper.

THE PEOPLE WHO MADE WAVES WITH THE PONY ARE ROCKING THE BOAT AGAIN. INTRODUCING STELLAR.

Stellar is a remarkable new luxury car from Hyundai.  
 This car, like the Pony, reflects Hyundai's commitment to value. Give the customer something extra for the money.  
 Stellar was born in the mind of Giorgetto Giugiaro, the famous Italian designer. He deserves full credit for Stellar's sleek lines and roomy interior.  
 What lifts Stellar into the luxury

class? The finishing touches. The extras that you don't pay extra for. Michelin all-season, steel-belted radials are standard equipment. Tinted glass all around and side window demisters are standard. Cut-pile carpeting, child-proof rear door locks, aluminum coated muffler, styled steel wheels, rear window defroster, rear seat heater ducts. All standard. Here is much more than a pretty face.

Both the engine and transmission are proven performers because Stellar is already a favorite in 23 countries around the world. Stellar has been through tough testing on Hyundai's test track facilities in Korea. And a winter of testing in the Canadian north.  
 Now it's your turn to judge. Take Stellar for a test drive soon!  
 The one with all the extras that you don't pay extra for.

STELLAR BRINGS THE COST OF LUXURY DOWN TO EARTH
