Marcy heads poll

By Chris Garbutt

The staff and students of Stouffville District Secondary School went to the polls last week to elect the 1985-86 Student Council. Worthy contenders, nominated the week before, fought a long, hard and clean campaign. It was a week of poster-covered walls, hand-out buttons and promises.

Each of the nominees addressed a special assembly. When the vote count was taken, Marcy Pyke was elected president; Lindsey Baston and Steven Barclay, vice-presidents; Janice Peterson, social convener; Heather Hoover, secretary and Cindy McNeil, treasurer, by acclamation.

The Student Council-elect will have their work cut out for them because the outgoing Council has done a fantastic job.

Fitness Testing

Fitness Testing is a popular annual event. This year, it was made all the more interesting because the girls became involved.

In classes for girls, Lisa Zeck won four events, including the straddle jumps, in which she not only set the girl's record, but broke the boy's record as well. Lisa also won in the rope climb, push-ups and skipping. Camille Rutherford won the sergeant's jump and the 200 meter run. Leslie Snooks was tops in the shuttle run.

Linda Hachey won the sit-ups and the 3,000 meters and Leslie Stronach was first in the sit and reach.

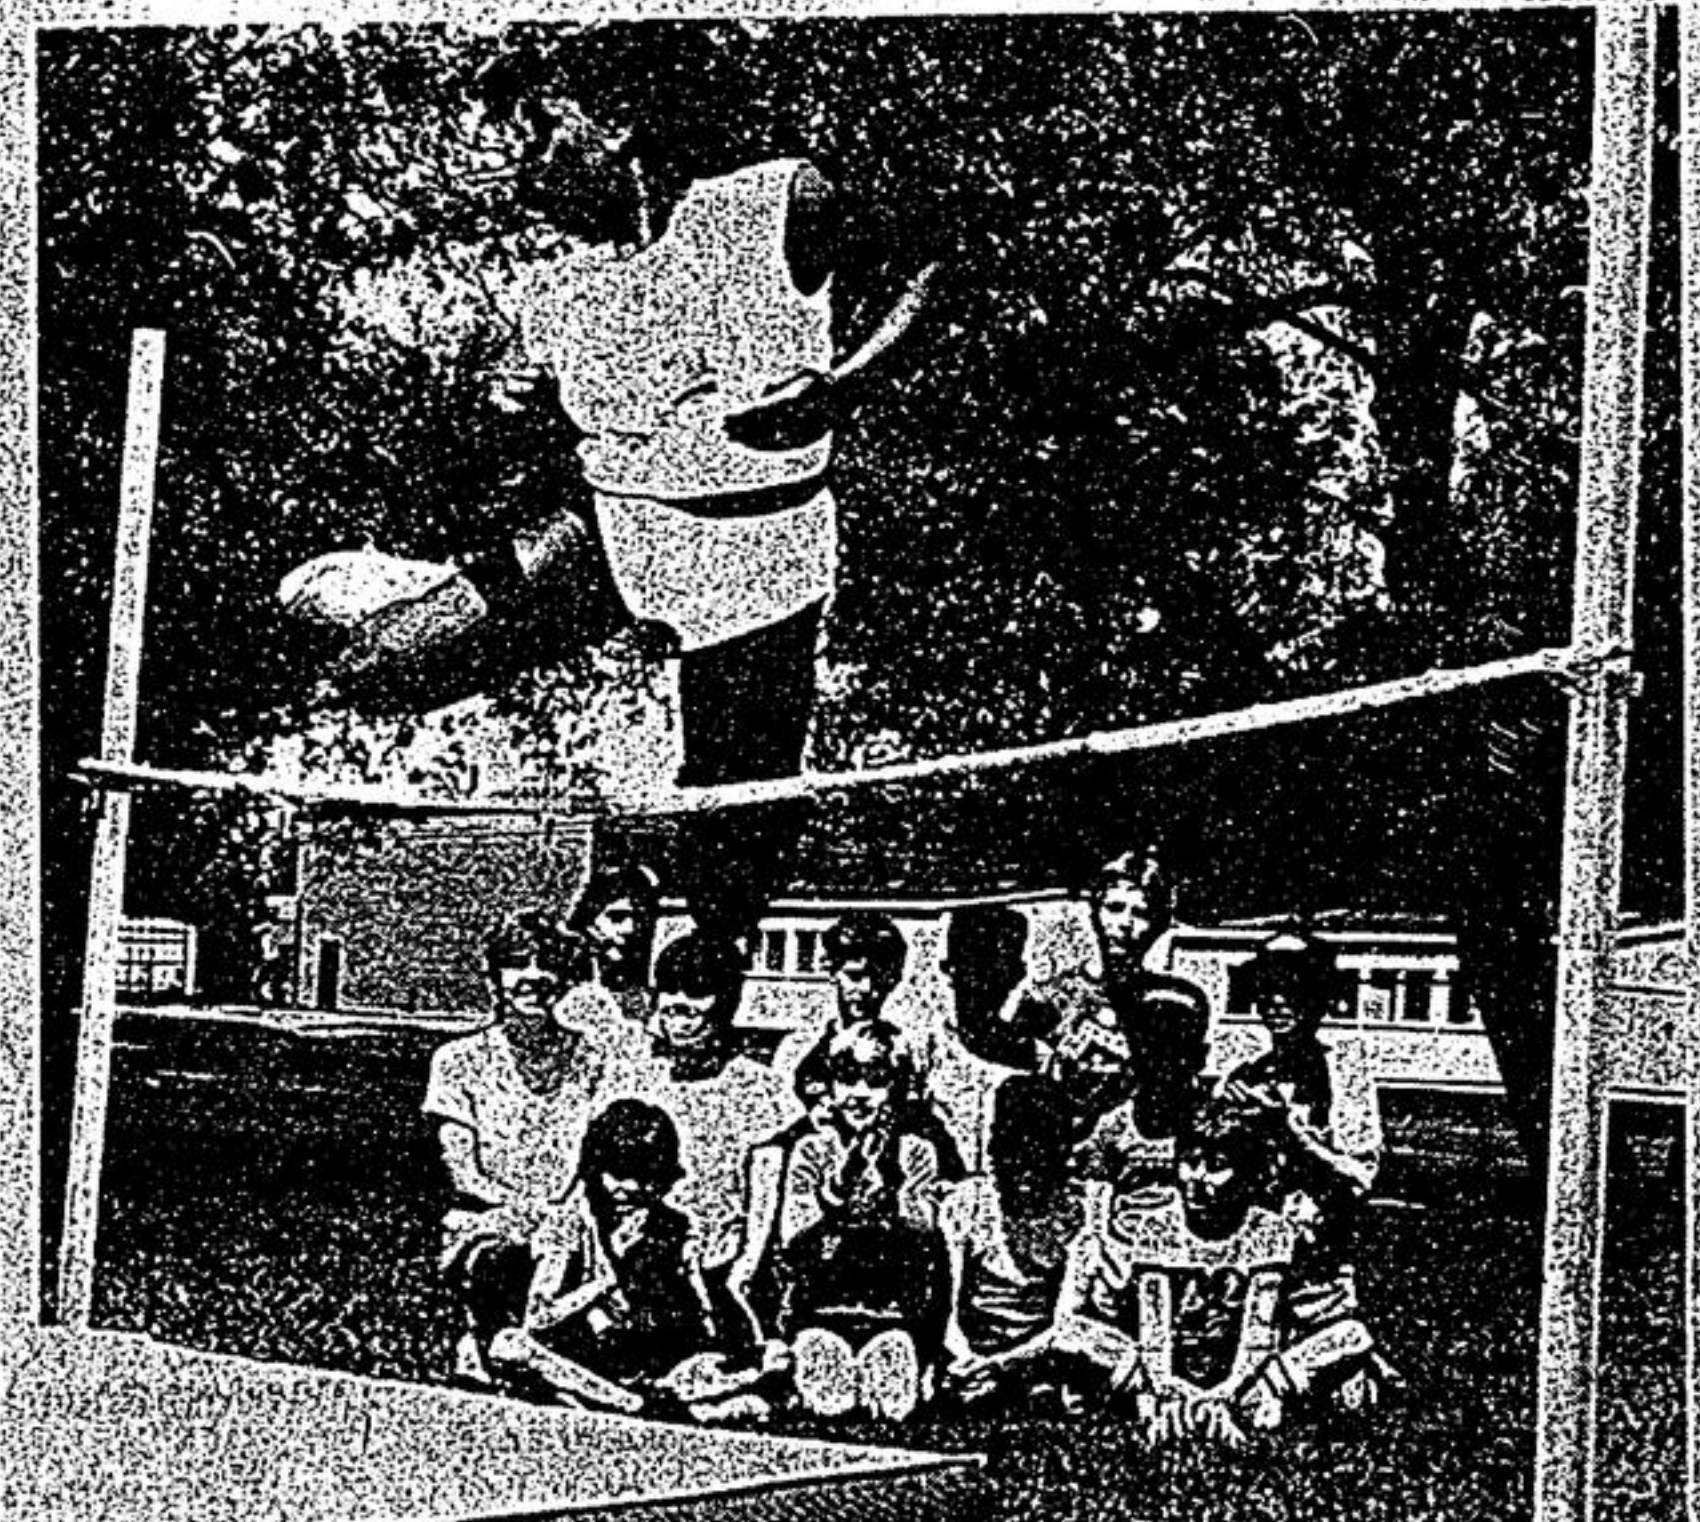

Rob Reesor and Craig Thompson each won two in the boys' events, Rob in the sergeant's jump and straddle jump, and Craig in the rope climb and squat thrusts. Other winners were Paul Rochester, (chin-ups); Ganesh Persaud, (shuttle run); Mike Wright, (sit-ups); Dean Booth, (skipping) and Terry Stewart, (two mile run).

Fitness champions in both categories have not been determined. These will be announced at the Athletic Banquet, Wed., June 5.

Athletes soar to new heights
