

# Area escapes tornado

By Marjorie Woodland  
**FOURTH LINE**  
 Our area was fortunate to escape the severe storms on Friday. Sympathy goes out to those whose homes and possessions were destroyed in the Barrie and Orillia area by the tornado. The rain and hail was not heavy enough to do much damage here, and the crops and gardens are looking very good.

The regular meeting of Baptist Mission Circle will be held in the church on Tuesday, June 11, at 7:30 p.m. Mrs. Dorothy Middleton of Emmanuel International is the guest speaker. A cordial invitation is extended to all, including the men to share the evening with us. Congratulations and good wishes to Garfield and Dorothy Bennet on the occasion of their fortieth wedding anniversary. They came to the Fourth Line in 1948, farming the former Andrew Ashenurst property for 17 years. They then moved to Markham. Their children, all married with families, are expected to be present for a reception, Saturday, June 8. It'll be held in the fellowship hall of Markham Missionary Church. On hand will be:

Charlie Hill, Pickering; Bruce Devore from near Sault Ste. Marie; Carol Carlson of Bay Ridges; and Ron Montgomery, Agincourt.

This is what I think of our garden plot: "I love my little garden from early in the spring, when I can get my fingers deep in the earth scratching. I plant the beans and radish and pot each row with car, lettuce, peas and spinach in my tiny garden square. And after it is planted, I walk the rows each day, to see if it is growing and while away the day. The hoe is used to loosen up the earth around each row, to send a scooting every weed. They're not allowed to grow. Each plant is watch-

ed for every need. We water, spray or prune so every time we see a pest we shoo it to the moon! It's in the cool of early morn we harvest for the day, and very often have enough to can or give away. I love my little garden plot. To clean it up, I toil. Fall comes and once again I get my hands deep in the soil.
