**TRADITION AND QUALITY IN THE VICTORIAN STYLE**  
On a quiet, tree-lined street in a fine old neighbourhood where many true century homes are located and handsome old houses abound, a modern replica is offered for sale. The 6 year old Victorian reproduction adds its charm and character to the old town atmosphere. Shaded by majestic maples and towering pines, this gracious home features traditional bay windows, large country eat in kitchen with walk-out, 2 log burning fireplaces, 3 generous bedrooms (master with ensuite), 3 bathroom, pub-style rec. room with wet bar, central air conditioning and central vacuum system. The home was constructed with energy efficiency in mind, using wood-frame Mason thermo windows throughout, insulated steel front and rear doors with magnetic weather seal, high R-factor insulation (fibreglass plus styrofoam sheathing) and the economy of gas heating. The exterior of the home is a combination of old time "John Pops" hand-cast brick and a modern construction that successfully achieves an elegant and sturdy finish. This home is a superbly constructed warm and inviting home, a true tradition of the century home, but done in a way that is usually available only through custom building. \$149,900.
