

Stouffville offers two new parks programs

BY BRENDA LITTLE

Two new daycamp programs are being offered this summer by Whitechurch-Stouffville Parks and Recreation.

In addition to the regular day camp for children between the ages of six and 12, a Kindercamp program for children four and five and a sports and leadership program for children 12 and over are being offered.

Both the regular program and Kindercamp will operate for three sessions. The first began July 2 and will run until July 22, the second from July 22 to August 2 and the third from August 12 to August 23. The sports and leadership camp will run for one session only, from July 22 to August 2.

The Kindercamp program runs from 9 a.m. to noon daily. The cost is \$25 per week.

The children in Kindercamp will play both active and quiet games

under the supervision of two qualified camp leaders. They will also do arts and crafts and watch films. As in the regular program, there will be a field trip each session. This session the Kindercamp children will likely go to Weall and Cullen's miniature village.

Each session of Kindercamp will share with the regular program a unique theme. The three themes for this summer will be Keep Stouffville Clean, Safety and Nutrition and Health. The children's crafts and activities will centre around these themes.

The sports and leadership camp is designed to encourage fitness and leadership skills. The children will learn basic skills while enjoying themselves in various sports activities and leadership workshops.

The program for the sports and leadership camp is broken into three sections, sports, interest/

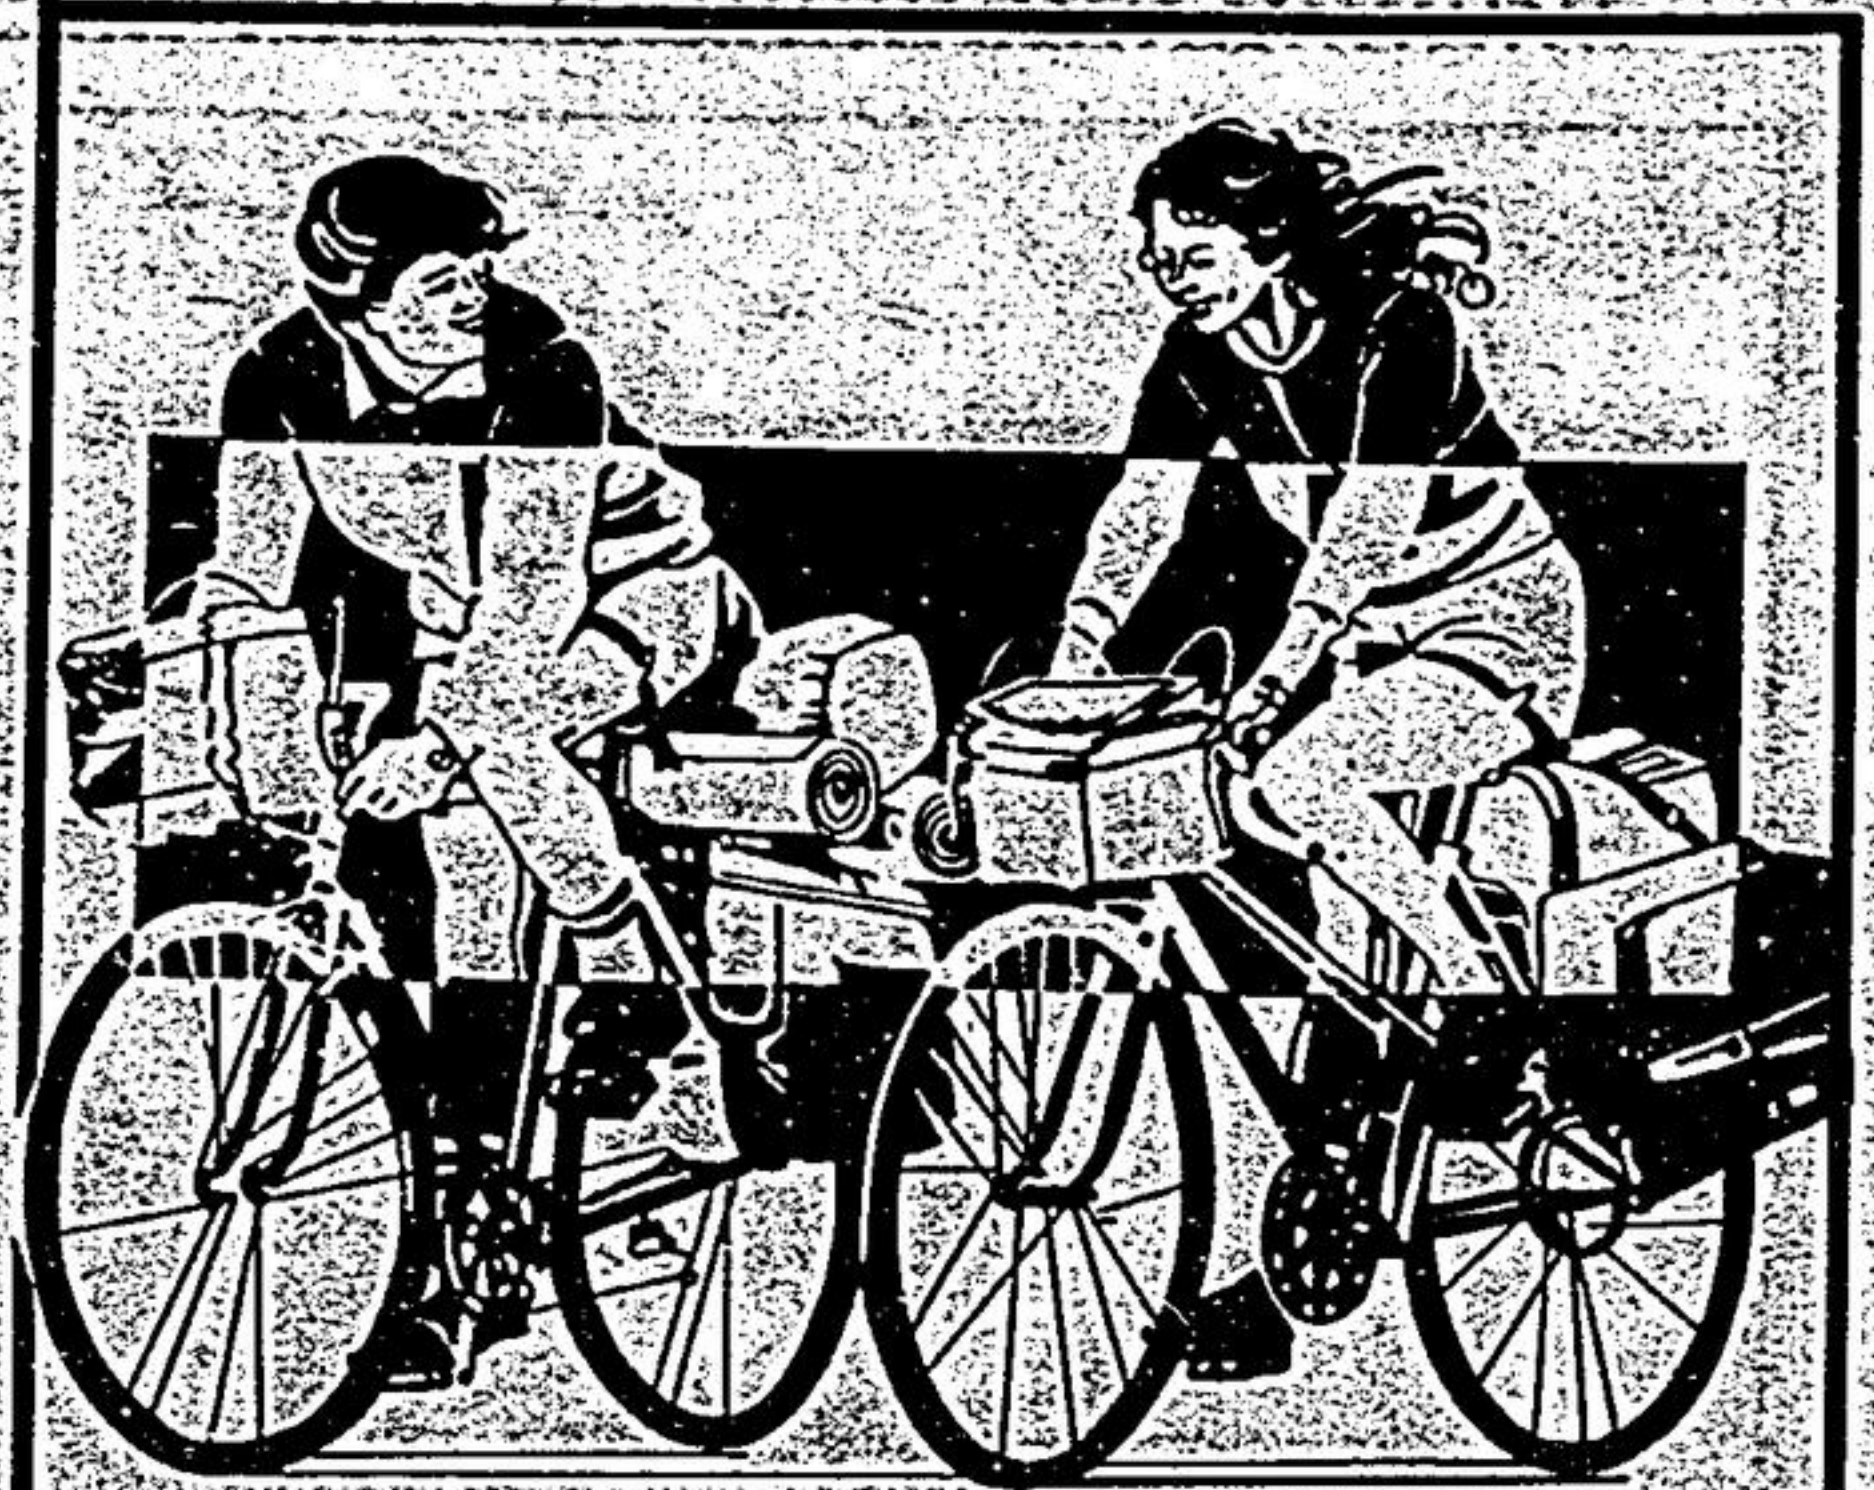

educational and leadership development. The sports section will involve orienteering, flag football, soccer, tennis, softball and novel co-operative games designed to encourage creativity.

The interest/educational area will include various lessons in first aid. The leadership development section will involve various workshops designed to teach children how to be successful leaders.

The sports and leadership camp costs \$45 per week and will run from 9 a.m. to 4 p.m. Monday to Friday.

To register for the day camp programs offered by the Whitechurch-Stouffville Parks and Recreation, call 640-3768.

For your convenience, a special busing service will be offered for all Day Camp programs. Children in the Whitechurch-Stouffville will be picked up in the morning and returned in the evening.

Bicycle Safety Tips

(Courtesy of York Regional Police)

Tip 3 — Drive as close as possible to the right-hand side of the road and in single file. If you're out after dark or in poor visibility, make sure motorists can see you. Use a light, reflector and reflective tape required by law. Wear something light-colored and put an extra bit of reflective tape on the pedals.

Traffic light approved

Traffic signals will soon be installed at the intersection of Unionville Bypass and Carlton Rd.

by York Regional council at its last meeting and is expected to be carried out following the approval of the Ministry of Transportation and Communications.
