Bible club will meet

By Marjorie Woodland
FOURTH LINE — Young people aged four to 11 are invited to attend a Backyard Bible Club during the week July 22 to 26. It'll be held at Rueben May's home from 9:30 to 11 a.m. and at the Baptist Church from 2 to 3:30 p.m. There will be stories and entertainment by capable leaders, plus refreshments.

Art Parratt is in Scarborough Centenary Hospital for surgery, scheduled for this week. We wish Art a good recovery and hope he's home soon.

Walter Todd is convalescing from surgery. Walter and wife Florence will be leaving Goodwood after more than 41 years here. They're moving this week to the Testa Heights subdivision, Uxbridge. We hope they enjoy many years together in their new home.

Glad to report that former neighbor Wellington Yake, is home after a lengthy stay in hospital at Richmond Hill. Our best wishes for your continued improvement, Wellington.

Little Elizabeth Erin King was the recipient of some pretty and useful gifts at a shower held Sunday.

A few neighbors and church friends surprised Mrs. Mabel Walker with a little party on the occasion of her birthday. She responded graciously with a little speech to show her appreciation. Mrs. Walker is a long-time member of the Baptist church. We wish her many happy returns of the day.

Service was held Wednesday for the late Mrs. Talbert Evans, the former Vila Redshaw. Predeceased by her husband, she leaves a son, Kaye. The Evans farmed in the area and later retired to Port Perry.

The veterinarian paid us a visit recently. It reminded me of the farmer who said to the druggist: "Now be sure to write on those bottles which is for the horse and which is for me. I don't want anything to happen to the horse before spring plowing."

Never on Sunday?

STOUFFVILLE — Lilly-Ann Landry's "Place of Amusement" at 61 Main Street East, (Bowling Alley Block) is open for business on Sundays. Also, it accommodates 22 amusement machines rather than a maximum of sixteen. Both uses are contrary to the Town's Licensing Bylaw.

On Thursday, the owner-operator appeared before Council to discuss complaints.

He said that to remove six machines would make a sizeable dent in the business. He noted too, the arcade had been operating on the Sabbath for four years.

"Why wasn't something said when we took over?" the licence applicant asked.

Mayor Tom Wood explained the Town only acts on complaints or when a new application is received.

"This isn't a fortune-making thing," the speaker protested.

Council agreed that, until the operator has an opportunity to address the problems and the Town has a chance to consider amendments to the bylaw, the business should carry on as before.
